

DeLaura Middle School Science Research Application

(NOTE: For any of these questions, if you need more space, please add paper and continue.)

Name: _____
Present Grade: 6 7 Student Email: _____
Parents' Names: _____
Home/Cell Phone: _____ Parent Email: _____

Science Research Requirements

Please consider the following requirements. Students must be able to:

- Work independently and make good use of class time.
- Be driven by curiosity and self-motivated to discover answers to questions.
- Seek out relevant articles pertaining to their selected area of research and summarize each article.
- Maintain good grades and attendance in all classes.
- Complete all deadlines on time.
- Stay after school to complete assignments and meet deadlines when necessary.
- Have transportation available after school.
- Participate in the Intracoastal Science and Engineering Fair.
- Have good organizational skills be able to keep up with large amounts of paperwork.

Interview Questions

1. Briefly, explain why you want to be in Science Research. What are your interests or personality traits which will enable you to succeed at the Intracoastal Science and Engineering Fair?

3. Which area of science are you most interested in, Physical Science, Biological Science, Earth/Space Science, or Engineering? Is there a specific topic of study that you want to investigate?

4. What other activities will you be involved with next year?

5. Please give careful thought to the following questions.

- | | |
|------------------|--|
| Yes / No / Maybe | Are you willing to make your science project one of your priorities? |
| Yes / No / Maybe | Are you willing to work as needed after school, on weekends, or during holidays to fulfill your responsibility in meeting deadlines? |
| Yes / No / Maybe | Can you obtain transportation to/ from school on weekends or another time outside of school hours? |
| Yes / No / Maybe | Do you feel comfortable writing and having your work edited? |
| Yes / No / Maybe | Do you feel comfortable analyzing data and presenting information? |

Writing Sample

On a separate sheet of paper, create procedures for making a peanut butter and jelly sandwich. Be as detailed as possible, in order to make your procedure reproducible.

Student Signature

Date

Parent/Guardian Signature (REQUIRED)

Date

In order to be considered, applicants will need to have their current Science or Science Research teacher approve their application.

Science/Science Research Teacher Signature (REQUIRED)

Date
