

EAU GALLIE HIGH SCHOOL

Health and Wellness Academy

The Health and Wellness Academy can give you a head start to becoming:

- Paramedic
- Physical therapist
- Doctor
- Nurse
- Veterinarian
- Pharmacist
- Social Worker
- Radiologist

What is the Health and Wellness Academy?

A focused small group academic program with an emphasis on health and wellness.

Major Area Interest in Diploma

Complete all requirements for standard high school diploma which would include the following academy classes:

9th-Career Research and Decision Making, First Aid and Safety, Care and Prevention of Athletic Injuries, Biology Honors

10th -Health Science I, HOPE, Chemistry

11th - Health Science II, Fitness Lifestyle Design/Advanced Health Explorations, Physics

12th – Health Science 3, Comprehensive Fitness, Adolescent Health Problems, Internship or Allied Health Dual Enrollment

***Completion of Health Sci I and II will count for an Anatomy and Physiology Credit.

Each student will develop a PORTFOLIO beginning in the 9th grade to include:

- Projects
- Reflections
- Career Seminars
- Volunteer Experiences

and will continue through their senior year!

In addition to course work, students will receive three national credentials:

AED

First Aid

CPR

Infant CPR
