

Edgewood Junior/Senior High School Service Learning

School Year of Hours Completed: _____ Fall Spring

Student's Name: _____ Grad Year: _____ Homeroom Teacher: _____

Middle School:

All students will need to complete 25 hours of service learning per year in 7th grade and 8th grade. They will still need to complete the proposal and reflection.

High School:

Students will need to complete 100 total hours through the entirety of their high school career. While it is permissible to complete all 100 hours in a single academic year, we encourage Best Practices with regards to service learning.

There will be a mandatory parent conference for any student who does not have 50 high school hours by the end of sophomore year. At the beginning of 11th grade students will make a Bright Futures plan to include a total of 100 hours between service and work.

*Best Practices are a sustained commitment to service or work with a variety of experiences. Sustained means a certain number of hours (i.e., 25 per year). **All development and documentation of services performed, and evaluation of the service learning project are the responsibility of the student.** Signature of the parent indicates review and approval of this proposal and activities. Transportation to and from outside agencies is the responsibility of the parent.

1. EMPLOYMENT:

Paid employment at _____

2. SOCIAL ISSUE: I will be working to (check all that apply; see website for help!):

- Improve the standard of living in the community for disadvantaged groups
- Provide leadership, guidance, and activities for youth of our community
- Improve and enrich the lives of physically or mentally disabled persons
- Improve health, welfare, or safety of community
- Preserve the environment
- Encourage the growth of the arts
- Improve the quality of life for senior citizens
- Work with at-risk animal populations
- Other: _____

3. Type(s) of service to be performed (if fundraising, specify what the funds will go toward – food pantry, school supplies, dog food for the shelter, etc.): _____

Important:

It is the student's responsibility to keep summary & completed log sheets. The school does not and cannot keep copies. Hours will be collected once per fall and spring semester. Hours can be earned over the summer in advance of the fall semester turn-in or by ADMINISTRATIVE REQUEST ONLY after spring semester.

Student's Signature: _____ Date: _____

Parent's Signature: _____ Date: _____

ALL SECTIONS must be completed!
