

# 2023-2024 Brevard School Transportation Registration

## To request a Bus Pass for the next school year

ONLY if changing schools or did not ride the bus last year and will ride this year. Please only submit if your student will ride the bus to help us with our bus driver shortages. This form does not guarantee the student a bus pass. This form is not for students going to Choice Schools, Charter Schools, or ELO/EPO Programs outside their zoned school.

## ReaXium School Bus Ridership Information

Your bus rider(s) will be provided a district-issued bus badge with a barcode after they are registered to a bus unless they are provided their school ID.

Bus riders must have their badges readily available to be scanned while boarding and exiting the bus to improve load times. Please assist in making sure your bus rider has their badge with them every day.

The barcode used to scan on/off the bus can be accessed through the students Brevard Focus App. The parent Focus account can also access your students bar code with picture. To obtain a parent Focus account please contact your student's school for information.

## Focus Parent Information

If your student(s) is registered to a bus, the stop location and time can be accessed through the Brevard Focus App. Focus will not have this information until the routes are finalized for the school year and it takes 24 hours to update once assigned to a bus. Please note stops and times are subject to change.
