Assistant Principal

Principal's Message

Dear families,

Wow! We asked you to take the BPS Parent Survey and soooo many of you have responded! We have already hit the mark for a CRAZY HAIR day but I bet we can up that to a FREE DRESS DAY! As of this morning we had 266 responses. This has been a very different year of challenges and celebrations. This is an excellent way to share your thoughts and help us address your needs moving forward. We look forward to seeing the results and hearing from our community. There is still time if you are interested: <https://www.surveymonkey.com/r/ELEM20-21>

Dinosaur George School-wide Assembly: Today we celebrated our Jog-A-Thon success with Dinosaur George. Our kids were engaged and had great questions and responses. All looked to be enjoying their time online hearing about the dinos of the sea. Included here is a link to the Dino George Kids Podcast that he shared. I bet a few will definitely be interested.

Coming soon:

Freedom 7 Field Day! Coach Burr and our team are meeting today to plan fun and engaging events for their day. FSA Testing- All Elearners are required to be on campus for FSA testing. Dr. Haddock is reaching out to those families with more information about dates and test settings.

Kathy Lott

Freedom 7 Elementary School of International Studies

Freedom 7 Elementary School of International Studies, an International Baccalaureate Primary Years Programme School, provides a quality public education with a rigorous and relevant transdisciplinary curriculum. Students are encouraged to become critical and open-minded thinkers, lifelong learners and compassionate world citizens who respect cultural diversity and take action to better our world.

Florida Standards Assessments Information

Freedom 7 Families,

The Florida Standards Assessments will take place beginning after spring break in April. Teachers have spent the past three quarters teaching the standards through the units of inquiry and have prepared our students! The schedule below details when each grade (Third-Sixth) will be testing. It is important that all students have adequate rest and proper nutrition in order to do their best! Thank you for your support and for working hard to have your child to arrive at school on time on these days. We begin testing in the morning, as that is the best time for students to demonstrate what they know!

Elearners have had separate communication. Please do not forget to submit the information on the form by Friday, March 12th.

If you have questions about this process, please do not hesitate to ask your child’s teacher or myself!

Have a wonderful weekend,

Dr. Lucy Haddock

FSA ELA Writing								
Grades	# of Days	# of Sessions	Minutes Per Session	Delivery	Date
