FREQUENTLY ASKED QUESTIONS

What does Jogathon in Color mean?

It's where students run, jog, or walk laps around the track in an effort to raise funds for F7! The "in Color" is the added fun of color powder blasts as they make their way around the track!

What should my child wear?

We highly encourage white/light colored shirts to show off their color blasts! Students can wear bottoms & shoes of their choice. Students may choose to wear sunglasses & bandanas but color blasts will be shoulders and below only. Please send in a beach towel for their seat (classroom & car).

Can I come watch my child run?

Yes!! We are excited to welcome parents to campus this year to cheer on their runner(s)! A SignUpGenius will be sent out to sign up for your child's run time (schedule to the right). You do not need to be a registered volunteer to come! SUG email will be sent out next week.

Is the color powder safe?

Yes! The color powder is from Chameleoncolors.com & is made up of corn starch and FD&C and D&C colors. These are approved for use in foods, cosmetics, and/or drugs & are not considered hazardous. More information can be found on their website, chameleoncolors.com

Clean Up?

Color powder should not stain skin, hair, or clothing but please don't wear anything you don't want to risk. Cleaning instructions can be found on chameleoncolors.com
