## Principal's Message

Dear families,

This week you rolled out the RED CARPET for teacher and staff appreciation. We saw special messages and notes, gifts, enjoyed a yummy lunch, and much more. It was comforting to see the outpouring of love and acknowledgement during this year of trials and triumph. I have watched from the halls and during planning time as teachers collaborated more than ever, lifted each other up with laughs and words of encouragement (maybe some pranks too), and grew professionally in ways they never knew they could or even wanted to. They did this above and beyond what is required of them. They did this on top of trainings and IB professional development. They did this out of dedication to kids, THEIR KIDS.

Equally- YOU WERE ALL AMAZING! The teachers were able to do what they did hugely due to your support and patience throughout the year. You may not have been able to volunteer on campus but earned above and beyond your "hours"! WE APPRECIATE ALL OF OUR FAMILIES!

*Fun SPACE Fact THIS WEEK! On May 5, 1961, Alan B. Shepard became the first American in space during a suborbital flight aboard his Mercury capsule named **Freedom 7**. Pictured: Liftoff of the Redstone rocket carrying Alan B. Shepard, the first American in space, aboard **Freedom 7**.*

Freedom 7 Elementary School of International Studies, an International Baccalaureate Primary Years Programme School, provides a quality public education with a rigorous and relevant transdisciplinary curriculum. Students are encouraged to become critical and open-minded thinkers, lifelong learners and compassionate world citizens who respect cultural diversity and take action to better our world.

# Art Newsletter

Freedom 7 Artists are **caring**! Artists help others, respect other's space and artwork and use kind words when speaking. Caring artists also listen to others explain their art. I wonder how your artist shows they are caring with artwork outside of school?

- Opportunities to show caring about ART outside of school:**
- How would you like to present and/or display your artwork?
  - Go to a place(museum in person or virtually) where art is displayed.
  - What do you see, notice or wonder about this artwork?

Congratulations to the artists entered into the City of Cape Canaveral Student Art Show
