## Reading Goals for Incoming Grades

- K-2nd read at least 10 books
- 3rd-6th read at least 8 multi-chapter books

United Way has partnered with Brevard Public Schools to keep students reading this summer.

Did you know that children can lose one to three months of learning over the summer? It's called the Summer Slide.

Reading is the key to learning. If students stop reading during the summer, they can be behind their classmates during the next school year in reading, writing, and comprehension. This makes keeping up in class hard!

That's why it is really important for parents to help their children stop the "Summer Slide" by reading. Visit <https://tinyurl.com/4shdw3b4> or [UWBrevard.org](http://UWBrevard.org) for links to reading ideas.
