Principal's Message

Dear Families,

What terrific science fair projects we had this week! Thank you to all the judges who volunteered their time to judge these terrific learning projects. Thank you Mrs. Hughes and Ms. Schoon for all of your coordination efforts! The students who will earn a bid and advance to the District competition will be announced at next Friday's school assembly.

Congratulations to all of the students who participated in the Freedom 7 Spelling Bee Thursday. Corporal Kent and I exchanged many wide-eyed "WHOA-s" as our kids riddled off each letter of the words with ease. They should be very proud.

Looking forward to the next few weeks as we have many wonderful events coming up including Literacy Week, Global School Day of Play 2022, Jog-A-Thon and a Foot Golf Tourney!!!!

Have a wonderful weekend,

Kathy Lott

February 3

Parents and families:

As part of the requirement of the Individuals with Disabilities Education Act (IDEA) section 616(b)(1)(C), the Florida Department of Education must review its State Performance Plan (SPP) at least once every six years and submit any amendments to the Secretary of Education. A component of this requirement is collecting stakeholder feedback.

The new Part B FFY 2020-2025 SPP/Annual Performance Report (APR) includes data on 17 indicators. A list of the indicators, along with a brief explanation of each, can be found by scanning the QR code below.

Indicator Explanation

Stakeholder feedback on the Part B FFY 2020-2025 State Performance Plan Indicator Targets is provided by accessing a brief 5-10 minute survey. The survey includes the baseline and proposed targets for each indicator. All stakeholders, including employees, students, parents, and community members, are encouraged to complete the survey. The survey is anonymous and is open until **January 25, 2022**. Access the survey by scanning the QR code below.

Thank you.
