MESSAGE FROM THE PRINCIPAL

October 13, 2023

Dear families,

The goats are coming! The goats are coming! That's right! Our Read-A-Thon was the G.O.A.T.!... so we will celebrate with... **BABY GOATS!!** We are working out the final details but stay tuned for more information about the Freedom 7 Baby Goat Extravaganza.

1 more month!!!! We are just one month out from accepting new applications for Freedom 7 Elementary! The application window will be open from November 6- December 8. Renewal applications for Education Location Option (ELO) and Education Program Opportunity (EPO) will be handled differently moving forward. A renewal application will be sent to the parent/guardian of each student who is marked with an ELO/EPO code in FOCUS. The renewal applications will be sent through FOCUS on November 6, 2023, for all schools. There will no longer be a \$30 fee associated with renewal applications.

 Red Ribbon Week 2023 will be October 23- October 27. The theme at Freedom 7 is "We all Grow with Good Choices". Students will be engaged in school-wide activities and will participate in their first Quarterly Meeting as a whole school. These meetings are designed to bring our whole school community together, recognize one another and to share learning. Wednesday, October 25 is **WEAR RED spirit day**. Students may wear red shirts, socks, hair bows, etc. with their school bottoms.

October is also Bullying Prevention Month. Using our Learner Profile Attributes, we will raise awareness and learn about our important role in preventing bullying. October 31 we will celebrate National Unity Day! Students and staff may wear **ORANGE** shirts with their uniform bottoms to show unity for kindness, acceptance, and inclusion and to send a visible message that no child should ever experience bullying.

Have beautiful weekend-

The Learner Profile, Risk-Taker

Students who are RISK-TAKERS dare to try new things. They try to solve problems in a variety of ways. *How can parents help to develop students who are Risk-Takers at home?*

- If your child is feeling uneasy about trying something new, encourage them to attempt it and then reflect on both whether they liked the activity and how it felt to try something new.
- Your child might want to set some short-term goals. Consider activities new to him/her. Your child might set a goal to:
 - Offer an opinion in class
 - Spend one recess with someone they might not usually play with
 - Order something different from the lunch menu
 - Try an activity or food that they haven't tried before
- Be careful to explain to your child the difference between being a risk-taker by trying new things versus doing dangerous things.
