## Assistant Principal's Message

Freedom 7 Families,

As we near mid-February, we have several competitions underway. Last week, our Odyssey of the Mind team competed in the district competition. They took home 2<sup>nd</sup> place and will be representing our school at state! Thank you Mrs. Tarver for coaching our students. This coming week, 25 students of our Future Problem Solving team will be competing in districts. We wish them well! Destination Mars teams will be competing in March, coached by Mrs. Pruneau.

As you make plans in the upcoming weeks for travel and visiting families, please take note of our state assessment days. Students will be taking the FSA in grades 3-6 in April and May.

We have one more full week to complete your registration packets for families returning to Freedom 7. Please don't delay!

Enjoy the weekend and remember, we have a four day week next week!

Warmly,  
Dr. Lucy Haddock

Students returning to Freedom 7 for the 2022-2023 school year can complete the renewal registration packet located [click here](#).

The deadline to return the packet is February 22nd.

Thank you.
