## CONSIDER THESE FACTS:

- Every 20 seconds a child dies from lack of access to clean water.
- Women and children in many communities spend up to 60% of each day walking to collect water.
- 40 Percent of Sub-Saharan Africa is Without Access to Clean Water

Through the WATER for AFRICA program, *We Help Two* has partnered with Freedom 7 to raise funds for water projects throughout Africa. These projects become a lifeline for the surrounding communities and reduce the risk of waterborne illnesses. We will report back to you with pictures and details about the project you have funded so you can see the impact of your efforts.

Please click [here](#) to check out all the tumblers available! There is even a customized Freedom 7 cup! \$10 of every purchase goes towards funding the water project! The last day to order is December 23<sup>rd</sup>!
