Principal's Message

Dear families,

We did it! We have completed the 1st semester of the year and what better way to end it... the Freedom 7 VIRTUAL Science Fair! It took much creativity, problem solving and hard work but our kids continue to **RISE UP** with the support of you and their teachers. Please help me recognize and celebrate two key players, OUR Science Fair Representatives. They took a process that has been done the same way for years and recreated it! Their organization and communication skills were top notch and we couldn't be more proud of our program.

Thank you Mrs. Hughes and Mrs. Rogers! (pictured left to right)

Shout Out to all of our young scientists. The following students were chosen to participate in round 2 of our school science fair: Addison A., Amelie B., Alaina D., James F., Wyatt G., Jaxon H., Myrah I., Will I., Reena K., Peyton K., Alberto M., Chloe M., Shanvi P., Eliza P., Charlie R., Jacob S., Mia S., Maren S., Aariv S., Chandler S., Varun S., Amelia S., Nicholas T., Jacob T., Thalia W., Talia W., Malone Y., and Nadia Y. Stay tuned for next week when we recognize our science fair finalists going to the district level!
