Principal's Message

Dear families,

♥ Part of being an IB family means sharing understanding of the Learner Profile Attributes with your child/ren and then striving to demonstrate these qualities in and out of school. These attributes prepare IB students to make exceptional contributions on campus and in our community. Several are essential to special days we are recognizing this month and EVERY DAY.

♥ **Valentine's Day- February 14**

Please check with your child's teacher for specific procedures. We are upholding safety precautions while creating new, memorable ways to show friends our caring!

♥ **Random Acts of Kindness Day- February 17**

Mrs. Brennan's class is hosting "**Kindness is Contagious**"

ELEARNING FRIENDS!! This is for you! National Random Acts of Kindness Day has grown in popularity each year. It is celebrated by individuals, groups and organizations, nationwide, to encourage acts of kindness. It is a favorite day to many, as people everywhere are enjoying doing these acts of kindness.

Please have your child/ren complete this activity if they "catch" anyone in their class in an act of kindness. Choose one square attached, complete and email to your child's teacher once it is completed. Your teacher will hang your child's contribution in the cafeteria with those on campus. We envision the whole café being filled with acts of kindness! Be on the lookout for pictures in a future newsletter. Note: In person students will complete this activity in class.

YOU'RE A WORLD CHANGER.

To 6th grade students and their parents:

We will be having a Virtual Open House Thursday night, Feb 18th, at 7:00pm. All prospective Cocoa Beach Jr/Sr High Students and their parents are invited to discover what our school has to offer in its Music Department. We will have teachers and representatives from band, orchestra, and chorus. We will talk about opportunities, trips and performances of the past, course selections, and more. Remember, these are actual class periods at our school, not after school activities. They are for those who have experience and for those who have never attempted an instrument or voice part.

Please join us. Let us show you how exciting our performing groups can be.

Sixth Grade “Tile Wall of Fame”

Since the 2010 class of sixth graders graduated from Freedom 7 Elementary School, each student has created a design on paper which is then reproduced into a ceramic tile to be placed with all other graduates on a wall in the school. It is now time for this group of 6th graders to complete their part of the tradition. Your student will design and create artwork which will be reproduced onto a ceramic tile. This is our way of remembering them, and for them to leave a mark.

This year’s creation and submission will be different. For the eLearners I will send out a sheet of special paper during elearner pickup on 2/26. Elearners must NOT use this paper until directed by Mrs. Van Vuren that the artwork is ready to be placed on the special paper. Students will design and create their final artwork, then place it on the special paper provided. Then elearners will drop it back off at the school by 4/15. I will provide ongoing support and teaching to all students during their regularly scheduled art instruction time. In-person learners will keep artwork here at school and will not take home.

The final ceramic tile product will be created through Original Works, so you can expect a high-quality product this company consistently delivers. Each student’s art will be reproduced on a high quality 6”x6” tile. The cost of each tile is \$14.00. Extra tiles can be purchased for your own keepsake. Order and payment will need to be made on the [APT website](#) by 3/15. To clarify, if you would like your artist’s work on the wall you would purchase one tile. If you would like to have one on the wall here and a keepsake for your family you will purchase 1 plus the number of keepsakes.

We look forward to adding to this tradition with the Freedom 7 class of 2021.
