Students may not arrive on campus before 8:45 am unless under the supervision of the Child Care Program Coordinator or a parent or participating in breakfast program which begins at 8:30am.

Absences

We shall require a written notice from Parents/Guardians directly following absences from school, stating the date and reason for the absences. In addition, you can help us by calling the school office when your child is ill or needs to be out of the school for more than two days. Excessive student absences during the school year may require a doctor's statement.

When a child accumulates 5 absences in a grading period, a letter will be sent home to the Parents/Guardians. **Students with excessive absences may be withdrawn from *Freedom 7 Elementary School of International Studies*.**

Requested make up work will be sent to the office for pick up at the end of the day. You may not request work prior to a planned absence.

District Policy

All students must be in attendance a minimum of **one (1) hour** of instructional time to be considered present each day.

Kindergarten students must be in attendance for a minimum of 162 days as criteria for progression to first grade. **The principal may, in consultation with the teacher, deny promotion based upon attendance.**

A student who has **nine** absences within a semester may not receive a passing grade. Absences not counted under this policy are court dates, religious holidays, illness with medical documentation, chronic and extended illness.

Tardiness

Please encourage your child to develop the good habit of being on time. If a child is tardy he/she must report to the office for a permission slip to enter class. Tardiness will be excused **ONLY** for illness and medical appointments if a **written notice** from the parent is provided.

Excessive tardiness (five in a grading period or nine in a semester) will be brought to the attention of the principal. The principal will make the parents aware of the problem by letter.

Travel and Safety

The safety policies for pickup and drop off of students will be strictly enforced in order to ensure students' safety at *Freedom 7 Elementary School of International Studies*. The speed limit on the school campus shall be 5 miles per hour. Please refrain from cell phone use while driving through either car loop. The cooperation of all drivers is expected and appreciated.

During school hours, students in grades K-2 are expected to travel in pairs to restrooms, and other areas of the school. Students in grades 3-6 may travel alone within secure perimeter.

All visitors to the campus must check in at the office with a driver's license and obtain a visitor or volunteer ID tag prior to reporting to any classroom or other area of the school.

Parent/Guardian Guidelines to Promote Child Safety

- All parents/guardians should set a definite time by which children are expected home. If a child is unusually late, Parents/Guardians should contact the school.
- Parents/Guardians should be sure children know their full name, address, and the telephone number to call in order to reach a Parent/Guardian or other responsible adult.
- Parents/Guardians should keep a copy of their children's fingerprints and a recent photograph.
- All Parents/Guardians and children should know the route used to and from school. Children who walk or ride bikes should travel using the "buddy system." **Never alone.**

Car Loops

- Follow the *Freedom 7 Elementary School of International Studies* traffic plan for loading and unloading cars and vans.
- Get in and out of the cars at curbside only. Car seats may need to be moved to accommodate this.
- Children may not cross the parking lot unescorted.
- **Please DO NOT park your vehicle in the car loop.**
- Use designated parking areas.
- Please do not use a cell phone while driving in the car loop.

The Primary Playground shall be closed at all times that the car loop is in use (i.e., during arrival and dismissal times).

Car Pick-up

Please be sure to place the designated school sign with your child's number on your windshield. Your number will be keyed in to initiate your child's dismissal to the car loop. If you do not have the school provided number, you will have to park and bring your ID inside to be issued a new one.

Walkers

- Use crossing guards whenever possible.
- Use sidewalks.
- NEVER WALK ALONE. Follow pedestrian safety rules.

Bikers

- Use crossing guards whenever possible.
- Follow bicycle safety for riding on sidewalks or streets.
- Wear a helmet and travel with a friend.

- Skateboards, scooters and roller blades are not allowed to be used on school property.

Student Check Out

To ensure your child's safety the following procedures have been established for any change(s) in your child's dismissal from school:

- Students will not be allowed to leave school prior to the normal dismissal unless the Parent/Guardian comes to the school and checks out the student through the front office.
- Parent/Guardian may be asked by the office staff to show photo identification when signing students out of school.

- They may also be asked additional student identification questions, such as a designated code word.
- **Parents/Guardians are requested NOT to call the office to change a student’s normal departure routine except in an emergency. Parents/Guardians may be asked for identification when calling.**
- In order to reduce congestion in the front office, no student will be checked out after 3:00 p.m. Monday through Thursday, or after 2:00 p.m. on Friday, unless it is an emergency.
- According to School Board Policy, students are released to the Parent/Guardian of the record only. A Parent/Guardian must give **advance written notice** to the school when requesting a child be released to someone other than the designated person(s).
- Due to limited seating at school performances and the interruption of learning, we respectfully request that parents do not check out their other children to attend the sibling’s performance during the school day.

Dismissal

Please remember the following guidelines:

- A written note with clearly stated directions should be given to the child’s teacher.
- A teacher has to be notified in writing of any change in transportation. Email is not the best way, as teachers are instructing during the day and not always checking email.
- Teachers cannot accept any verbal statements about the child’s transportation arrangements.
- If you are taking your child out early and are requesting school work, please give the teacher adequate notice to prepare materials. Please do not expect the teacher to prepare materials at the time of pick up without prior notice.

Inclement Weather

- All Brevard Public Schools have a Critical Incident Manual. This manual lists procedures to follow under emergency weather conditions. *Freedom 7 Elementary School of International Studies* will follow the Critical Incident Procedures in the adopted emergency plan.
- In times of severe weather, children may be held in the classroom by their teacher to avoid dangerous conditions. Parents need to be patient while waiting for dismissal. Teachers will dismiss children when conditions improve.

Grading Policies

The district grading system for grades 3 – 6 is:

- A – 90 – 100
- B – 80 – 89
- C – 70 – 79
- D – 60 – 69
- F – 59 – below

The district grading policy for grades 1 – 2, uses M, E, N, and U as a developmental system.

Progress reports are issued four times per year (each nine weeks). Interim reports are issued at the mid-point of each grading period. To achieve Honor Roll status, students will have earned all As, all Bs, or all As and Bs, with no Ns or Us in Lifelong Learning Skills.

Student Assignments

It is the responsibility of the staff of *Freedom 7 Elementary School of International Studies* to assign students their teachers each school year. A variety of factors are considered which may include balancing class size, race, academic, social and emotional needs of the child. Regretfully, **teacher requests cannot be honored.**

Parents who have specific information about their child, which they feel is pertinent to class assignments, may provide this in writing on or before May 1st of the year prior to the upcoming school year.

Every effort will be made to assure consistency in placement policy. In the event that unusual circumstances indicate a need for change in classroom assignment, the individual needs of students will be reviewed by appropriate staff members, who will subsequently make a recommendation to the principal.

Cellular Phones

The school recognizes that access to cellular telephones may be necessary after school. Parents who wish their child to have access to a cellular telephone must complete a “Cellular Telephone Agreement” form in the school office. Cellular telephones must be turned off while on campus. Cellular telephones will not be visible during the school day. **If a student is found in violation of this agreement, the cellular telephone privileges may be revoked for the remainder of the school year.**

Technology

Technology use is a part of the teaching and learning at *Freedom Elementary School of International Studies*. Parents and students will sign a Cloud Collaboration Permission form to allow children to access the suite of Google tools to support instruction as well as other tools to support learning. Students will also have a laptop assigned to them for use at school. Parents have the option to Opt Out using the Student Internet Acceptable Use Opt Out form at registration.

Parent Volunteer Hours

When parents are involved in their children’s education, the likelihood of success is great. At *Freedom 7 Elementary School of International Studies*, parents agree to volunteer their service and to assist in a variety of ways, for a minimum of 20 hours per school year, per family. Visitors must wear I.D. badges, generated by the volunteer computer. This will ensure a secure environment for all students. Failure to complete the required 20 hours per school year will result in the student being withdrawn from *Freedom 7 Elementary School of International Studies*.

The intent is for parents to be involved throughout the year. We recommend that parents attempt to obtain five (5) volunteer hours per quarter so as not to overload teachers and classrooms in the last months of school. While some volunteer activities can be completed at home, it may not be possible to obtain all of the required hours in this manner. Volunteer opportunities are posted in the school’s newsletter, and through other school communications. Parents may also contact the school volunteer coordinator through the school office for assistance.

All volunteer hours must be completed by the last school day.

Volunteer Guidelines

- Know school rules and regulations.
- Know emergency procedures such as fire drill routes, hurricane drills, etc.
- To ensure the safety of all, please do not bring, with you, children who are not enrolled at Freedom 7 Elementary (when volunteering).
- Please do not bring your cell phone into the classroom, unless it is turned to the SILENT mode.
- Understand that discipline is the teacher’s responsibility. Maintain order when assisting children but refer discipline problems to the teacher.
- Conduct yourself in an ethical manner. Understand that discussion of confidential matters and criticism of professional staff, pupils, and programs is inappropriate inside and outside of school.
- Know that the professional must do the evaluation of a child’s learning and it is not a volunteer’s responsibility to judge student competence.
- Support your school. If you have concerns or if others come to you with criticisms or complaints, encourage them to direct them to the principal, assistant principal, guidance counselor, teacher, or volunteer coordinator.

- Don't make any promises that you cannot keep. In other words, don't overload yourself. When you sign up to volunteer, be dependable. If you have to miss, and we understand that happens, please call the school and let them know you will not be able to come that day. Please be on time!
- Please do not show up in the classroom unless previously planned with the teacher. Volunteer names must be submitted to the office prior to the volunteer's arrival by the teacher.
- Teachers, administrators and staff promote healthy eating habits with the students. Candy and sweet treats are not used as incentives or rewards. Parents are asked to support this initiative by not providing candy for students.
- Volunteers chaperoning field trips will be asked to sign a **Chaperone Field Trip Agreement**.

Find ways to establish a high quality rapport with children and staff by:

- Being warm, friendly, and courteous at all times
- Maintaining a sense of humor
- Staying calm in emergencies
- Displaying a positive attitude
- Keeping your commitment to the program

In summary, we need the help of persons who have high standards of responsibility and Integrity, and who can relate with patience and understanding to children and staff.

Clinic

Children who are ill or injured will be brought to the clinic and made comfortable. Parents of children who have indicated that their child may be treated during enrollment/re-enrollment, will be returned to class after they are treated or have rested in the clinic for 10 minutes. Parents will be contacted and asked to pick up children with elevated temperatures, upset stomachs and injuries not treatable with band-aids.

Communicable Health Issues

School policy requires that children with scabies, ringworm, or impetigo be treated with proper medication before being admitted to school. Students with head lice must receive proper treatment. Upon readmission to school the student will be checked by the clinic staff or school administration to assure there are no live lice.

Medication

Prescription medication will only be administered as approved by a physician. The parent must deliver the medication to the front office. Students are **NOT** to transport medication to and from school. Parents must give written permission to the school, including an explanation of the necessity for medication during the school day and/or for the student who may be away from school property on official school business.

The principal will designate person(s) to be responsible for accepting and administering the medication. The designated person(s) will complete a medication log for each student when medication is administered. Medication will be stored properly in the ORIGINAL CONTAINER UNDER LOCK AND KEY.

Medication may be left at the school overnight in cases where the physician and the Parents/Guardians request frequent and prolonged dosage requirements. At the end of the school year, Parents/Guardians must pick up prescriptions in person. Non-prescription, over the counter medication in its original container will be administered in the school clinic under the following guidelines:

- Dosage cannot exceed manufacturer's recommendations.
- A doctor's prescription will be required if medication is to be administered for any period exceeding ten days in a school year. Over the counter medications can only remain at school for ten (10) days, unless you have doctor's note.

- In-service programs directed by the school principal, designee, and Brevard County Health Nurse will be conducted for those authorized to administer medication.
- Medication shall not be carried on a student's person in the school except as approved by the principal.
- Proper disposal of unused medication shall be the responsibility of the health technician.

Field Trips

- At registration, Parents/Guardians are asked to sign a blanket permission form for all field trips.
- Teachers will notify Parents/Guardians in writing prior to each field trip; and if parents/guardians do not want a student to attend, they will notify teachers in writing.
- Selection and number of chaperones and drivers accompanying field trips shall be at the discretion of the teacher with the approval of the principal. Due to group size and other factors we regret that all parents may not always be able to attend all field trips.
- **A "Chaperone Field Trip Agreement" form will be completed by parents who wish to serve as chaperones for school sponsored trips.**
- Only vehicles meeting county safety guidelines may be used to transport students.
- Driver's licenses must be shown and approved by the front office BEFORE the day of the scheduled field trip. Proof of insurance must be presented at this time.
- Parents who are not official chaperones may not go on the trip or pick up children before the field trip ends at the school.
- Parents attending field trips may not bring siblings who are not members of the class attending the field trip.
- When traveling by bus to a field trip, parents who are designated as chaperones may drive their own vehicles to and from the field trip but may not transport students other than their own child.
- ALL students must ride the school designated mode of transportation both to and from the field trip destination, except as outlined above.

Request for exceptions to the above policies must be made in writing to the principal at least two days before the scheduled field trip.

School Lunch

Procedures for entering cafeteria:

- Enter quietly and in a straight line.
- Have money and choice made.
- Hold tray with both hands.
- Walk at all times.

- Eat first, socialize after.
- Leaving tables and floor clean
- Keeping all lines quiet and orderly
- No food may be sold, traded or given away.

Students in Kindergarten through 6th grade may purchase a hot lunch. Money may be brought daily or lunches may be paid for by the week, two weeks or a month in advance. Collection for advance payments is done on Monday mornings between 8:30 and 9:00 A.M. in the cafeteria. A free and reduced lunch program is also available. Lunch account may also be paid through MyPaymentsPlus.

NEW!! Mobile App for MyPaymentsPlus: After you set up your MyPaymentsPlus account online by adding your child and payment information, you can utilize the MyPaymentsPlus mobile app to conveniently make payments from your mobile device.

<http://www.mypaymentsplus.com>

Prepayment can be made in a weekly amount for lunch or cash accounts. Cash accounts are available for students who wish to purchase a-la-cart items. Parents should also be aware that there are several dessert items available to be purchased in addition to lunch. Younger children may not always make the appropriate choice when choosing to eat the meal or the extra dessert. Parents have the option to restrict their child's purchases to 'lunch only'. This can be done by contacting our school cafeteria.

Should your child forget to bring his/her lunch money, the child may "charge" his/her lunch up to two times, after which, a peanut butter and jelly sandwich and a carton of milk will be issued to the student. The cafeteria personnel will notify the parent that the student needs lunch money.

A-la-cart policy is that students may purchase daily menu items with other school baked and packaged items. However, to purchase a-la-cart items, a student must first purchase a school lunch or bring a bag lunch from home. Only two a-la-cart items may be purchased. All items must be purchased while going through the lunch line.

Breakfast will be offered each morning from 8:30-9:00 A.M. Students are offered four items each day within the federally required breakfast pattern. Breakfast is **free** to all Brevard Public Schools students. Birthday treats can be pre-ordered through the food services program. Please contact the food services manager for more information. Other birthday treats are not permitted.
