Dear Parent/Guardian,

The Florida Assessment of Student Thinking (FAST) is a progress monitoring system that is administered three times per year to track your student's progress in learning the Benchmarks of Excellent Student Thinking (B.E.S.T.) Standards throughout this school year. The purpose of this letter is to inform you that your student will take the Kindergarten/Grade 1/Grade 2 Renaissance: Star Early Literacy, Star Reading, and/or Star Math assessment(s) on the sessions of the following two days:

- **Tuesday, December 5th, 2023 – Reading**
- **Wednesday, December 6th, 2023- Math**

Please make an effort for your student to be present in school on these two important days of state-wide testing.

Your student's results from PM2 are for informational purposes only, and you will be provided with information about how to access the results after testing is completed.

FAST assessments are computer-adaptive tests taken on a computer or tablet. The questions get easier or more difficult depending on how the student responds, and each student will see different questions. If you or your student would like to review [Star Early Literacy, Star Reading, and/or Star Math] sample items at home, sample test items are available at <https://flfast.org/resources/renaissance-star/renaissance-star>.

[The Star Early Literacy assessment typically takes less than 15 minutes to complete. The Star Reading assessment is usually completed in less than 20 minutes, and the Star Math assessment typically takes less than 30 minutes to complete.]

If you have any questions related to this test administration, you may contact Lisa Megown at Megown.lisa@brevardschools.org

For more information about the Florida Statewide Assessments program, please visit the portal at FLFAST.org.

Thank you for supporting your student and encouraging him or her to do his or her best during this test administration.

Sincerely,

Kathryn Lott

Estimados padres de familia/tutores:

La Evaluación de Razonamiento Estudiantil de Florida (*Florida's Assessment of Student Thinking, FAST*) es una herramienta para el seguimiento del progreso estudiantil, la cual se administrará tres veces por curso para observar el progreso de su estudiante en relación con el aprendizaje de los Indicadores de Rendimiento para un Razonamiento Estudiantil de Excelencia (*Benchmarks of Excellent Student Thinking, B.E.S.T.*, por sus siglas en inglés) a lo largo de este curso escolar. El propósito de esta carta es informarle que su estudiante realizará la(s) evaluación(es) de [kindergarten/1^{er} grado/2^o grado] Renaissance [Star Early Literacy, Star Reading, and/or Star Math)] el

- **Tuesday, December 5th, 2023 – Reading**
- **Wednesday, December 6th, 2023- Math**

Please make an effort for your student to be present in school on these two important days of state-wide testing.

Los resultados del PM2 de su estudiante son solo para fines informativos y la escuela de su estudiante le proporcionará información sobre cómo acceder a los resultados, una vez que complete la evaluación.

Las evaluaciones FAST son pruebas adaptativas que se toman por computadora o tableta digital. Las preguntas se hacen o bien más fáciles o bien más difíciles, dependiendo de cómo responda el estudiante, y asimismo cada alumno realizará preguntas diferentes. Si usted o su estudiante desean revisar algunos ejemplos de Star Early Literacy, Star Reading y/o Star Math en su hogar, encontrará ejemplos disponibles en el enlace <https://flfast.org/resources/renaissance-star/renaissance-star>.

La evaluación Star Early Literacy generalmente toma menos de 15 minutos para su realización. La evaluación Star Reading generalmente se completa en menos de 20 minutos, y la evaluación Star Math generalmente toma menos de 30 minutos en realizarse.

Si tiene alguna pregunta relacionada con la administración de esta prueba, puede comunicarse con Lisa Megown at Megown.lisa@brevardschools.org
