Freedom 7 Elementary School of International Studies, an International Baccalaureate Primary Years Programme School, provides a quality public education with a rigorous and relevant transdisciplinary curriculum. Students are encouraged to become critical and open-minded thinkers, lifelong learners and compassionate world citizens who respect cultural diversity and take action to better our world.

Attention all 6th Grade Families! “Tile Wall of Fame”

Since the 2010 class of sixth graders graduated from Freedom 7 Elementary School, each student has created a design on paper which is then reproduced into a ceramic tile to be placed with all other graduates on a wall in the school. It is now time for this group of 6th graders to complete their part of the tradition. Your student will design and create artwork which will be reproduced onto a ceramic tile. This is our way of remembering them, and for them to leave a mark.

All artwork will be completed here at school during art time in class and include a self-portrait of your artist.

The final ceramic tile product will be created through Original Works, so you can expect a high-quality product this company consistently delivers. Each student's art will be reproduced on a high quality 6"x6" tile. The cost of each tile is \$15.00. Extra tiles can be purchased for your own keepsake. Order and payment can be made once you are signed into your account on the [APT website](#) by 3/15. If you do not see the tile order form on the APT website after logging in, check under "My Family Info" and be sure your student is accurately listed as a 6th grader. The form will only appear for families with a current 6th grade student.

To clarify, if you would like your artist's work on the wall you would purchase one tile. If you would like to have one on the wall here and a keepsake for your family you will purchase 1 plus the number of keepsakes.

We look forward to adding to this tradition with the Freedom 7 class of 2023.
