## Principal's Message

Dear families,

Thank you kindergarten families for our "Berry Special" staff appreciation this week. It was so nice to enter the beautifully decorated staff lounge filled with treats for all. You guys spoil us!!

Global School Play Day is February 3. This is a grassroots effort created by educators in support of unstructured playtime for students around the world. Have your child bring anything they wish to play with to school on Thursday, February 3, 2022. The only restrictions: they must bring toys and these toys may NOT require batteries or electricity. No devices. Some items may be: board games, dolls, Legos, blocks, trucks, cars, racetracks, playing cards, empty cardboard boxes, markers, jigsaw puzzles, blankets (for forts), social games (charades, Pictionary, etc.). We recommend putting names on items when possible. Also, applying sunscreen and sending hats, sunglasses and/or outerwear for outdoor activities is highly recommended. Students will wear their grade level colored shirt with uniform bottoms and shoes. Finally, please don't forget those refillable water bottles, our students need to stay hydrated. **PLAY! NO SCREENS - NO STRUCTURE - ALL DAY LONG #GSPD2022**

Mr. Devin is preparing a special picnic lunch and the APT will be providing Ice Cream for all students.

There are a few slots on the sign up genius for supplies and set up/breakdown volunteers: <https://www.signupgenius.com/go/10c0544afae2ea5fd0-global>

## Attention all 6th Grade Families! “Tile Wall of Fame”

Since the 2010 class of sixth graders graduated from Freedom 7 Elementary School, each student has created a design on paper which is then reproduced into a ceramic tile to be placed with all other graduates on a wall in the school. It is now time for this group of 6th graders to complete their part of the tradition. Your student will design and create artwork which will be reproduced onto a ceramic tile. This is our way of remembering them, and for them to leave a mark.

All artwork will be completed here at school during art time in class and include a self-portrait of your artist. No work will be completed at home.

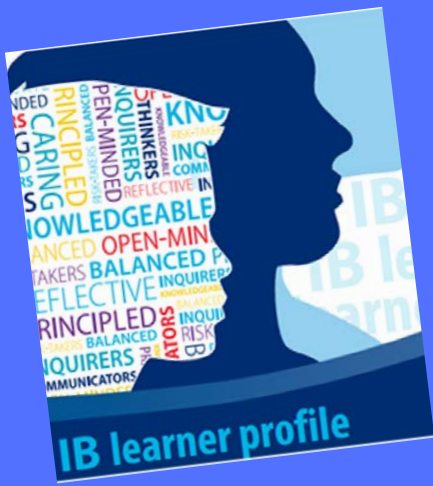

The final ceramic tile product will be created through Original Works, so you can expect a high-quality product this company consistently delivers. Each student's art will be reproduced on a high quality 6"x6" tile. The cost of each tile is \$14.00. Extra tiles can be purchased for your own keepsake. Order and payment can be made once you are signed into your account on the [APT website](#) by 2/11. If you do not see the tile order form on the APT website after logging in, check under "My Family Info" and be sure your student is accurately listed as a 6th grader. The form will only appear for families with a current 6th grade student.

To clarify, if you would like your artist's work on the wall you would purchase one tile. If you would like to have one on the wall here and a keepsake for your family you will purchase 1 plus the number of keepsakes.

We look forward to adding to this tradition with the Freedom 7 class of 2022.

If you have any questions or concerns please reach out to me directly,
