The Math League competition this past Spring.

SPECIAL RECOGNITION

Jonah P in Grade 4 Ranked in top 506 students
Michael Y in Grade 5 Ranked in top 398 students

Summer Reading Challenge

Help your child avoid the summer slide!

Freedom 7 is challenging our students to read as many books as they can during the summer months. As a parent you can help your children avoid the "summer slide" of learning loss by providing access to reading materials and encouraging them to read frequently, both on their own and with a family member. Students will leave school this year with a summer reading postcard to keep track of books read over the summer.

Bring the postcard back by August 10, 2021 and your child can earn a special ice cream treat!

Go to <https://bit.ly/3fO16zK> for more info about the summer reading challenge. Here you can access how to videos of how to use the Sora app.
