# Avoid the Summer Slide by READING!

Summer is here, but that doesn't mean reading has to stop! United Way's "Reading is Out of This World!" is happening again this summer! Look for the flyer in your child's final Friday folder.

**Reading Goals: Grades K–2: 10 books and  
Grades 3–6: 8 multi–chapter books for a special ice  
cream treat, compliments of United Way!**

Access [this link](#) for additional reading ideas!

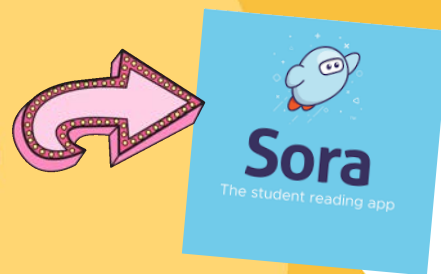

The **Sora** app will be available for summer e–reading and audiobooks! You don't have to worry about your child misplacing library books and its portable, so you can read wherever you may be in the world this summer!

Accessing Sora: Go to BPS Launchpad

Sign into the Sora app

Mrs. Noe & Mrs. Enrique

Hello!

Summer is just around the corner! We know that the summer slide happens if students don't continue with some level of academic skill practice, and we want our students to keep reading all summer long! We want them to have fun at the same time, because, let's face it, it is summertime-time for swimming, BBQs, vacations, and down time!

Please have your child/children complete [this survey](#) giving us insight as to what motivates them as readers, especially during the months of June and July!

Thank you!

### Sixth Grade Families

Freedom 7 6th grade students must have their re-enrollment information completed and verified by Ms. Carol by June 20, 2023. Please also let Ms. Carol know what middle school your child will be attending in the fall.

Any student not enrolled will not be updated in FOCUS for their prospective middle schools.

Parent directions, click [here](#).

Hi Families!

As you travel the globe this summer, we would love to hear from you! If you have the time, send us a postcard to the school. This will help us stay connected and learn more about the world around us as we all share and enjoy the planet!

Kindly,  
Mrs. Noe

Registration will be held on August 4th. More information will be sent closer to that time. Have a great summer!
