Mission

To serve every student with excellence as the standard.

Vision

Brevard Public Schools will serve our community and enhance students' lives by delivering the highest quality education in a culture of dedication, collaboration, & learning.

4-H Tropicana Speech Contest

The 4-H Club maintains that public speaking, especially when learned at an early age, is an invaluable skill that will benefit youth throughout their lives. When youth learn to speak in public, they improve their listening and writing skills, and build their self-confidence. Congratulations to all the students that participated and we hope they will take this experience with them into the future.
