Principal's Message

Dear families,

Another fantastic week of performances and presentations. We started with the 3rd grade concert that took us through all types of music because we all know *MUSIC IS AMAZING*. Thank you Mrs. Haag for these musical Mondays. Seeing the kids on stage has really helped to celebrate the year and their growth.

Tuesday night with the 5th grade strings concert at Cocoa Beach Jr. Sr.! The music was phenomenal from all of the students and we were especially proud of our Freedom 7 musicians. Mrs. Haag and Mrs. Watters have supported these children all year and it surely showed on stage!

Finally- PYP Exhibition! The time is here. This cumulative event is time for our 6th graders to showcase their LEARNING. This work is a key element in developing international-mindedness. It represents the culmination of who our students are as learners and demonstrates what they achieved in all areas of the Primary Years Program. An IB PYP student learns to be an internationally-minded student who progresses through a collaborative, critical thinking journey of inquiry throughout the primary years. They explore local and global issues as well as learn to make connections and dig deeper. **In the final year of PYP, this exhibition involves students working together to conduct an in-depth inquiry where they identify, investigate and find solutions to real-life issues and problems. THEY WERE OUTSTANDING! IMPRESSIVE! Next up! EXHIBITION SHOWCASE!**

Smiles,
Kathryn Lott

Café Class Parties

Our cafeteria staff is happy to organize your child's birthday celebration. Please note, they require **10-days prior notice** in order to be prepared and have enough staff to handle the extra work involved. They are not able to accommodate last-minute requests due to being short-staffed, especially towards the end of the school year.

Thank you.
