Freedom 7 Elementary School of International Studies, an International Baccalaureate Primary Years Programme School, provides a quality public education with a rigorous and relevant transdisciplinary curriculum. Students are encouraged to become critical and open-minded thinkers, lifelong learners and compassionate world citizens who respect cultural diversity and take action to better our world.

Thank you Freedom 7

Dear Freedom 7 Family,

I am humbled to be able to wish you all our farewell from the 2021-2022 school year! We have had such a wonderful time learning together, growing together and supporting our students so that they are able to thrive. As the year closes, we are reminded that change is constant and expected. Through our open-minded perspectives, we are able to embrace challenges, uplift each other and celebrate our past year.

I personally want to thank our families for the past 17 years. Thank you for sharing a small moment in time with me and the entire Freedom 7 Family, on your child's journey. It is a true gift coming to work with the people that make up our community.

As our 6th graders shared last week; Challenge Accepted! We wish everyone a safe and happy summer filled with new friendships, lots of reading and much needed rest! Adios!

Warmly,

Dr. Lucy Haddock

Congratulations!

Happy Last Day of School!

I think I missed handing out thank you notes to a few people because of check-outs and such, but I want to say thank you very much to everyone for all of the wonderful teacher appreciation gifts, end of school gifts, and most of all the love you show me! You are all so thoughtful and kind! I am very thankful to be here every day. Have a wonderful summer!
