Come join us and...

- Explore new vocabulary words and phrases in Spanish, Italian, and Sign Language. Share with us phrases from your own home language.
- Inquire about the meanings of some international foods as well as traditional dance or games.
- Experience and be open-minded as you appreciate each other's customs and cultures.
- Invite a guest (Parent, family member or a community member) to share their traditions with us.
- Off-Campus Field Trip to a local restaurant. (Students will use their Spanish to communicate their needs.)

The main objective of this club is to expose students to a variety of cultural experiences from Spanish speaking countries, as well as providing them with the opportunities to inquire and enrich their knowledge and understanding of their own language.
