Google Classroom _ Joining a Classroom for Students
Document Link: https://bit.ly/JoinGCSTU

How to join a Google Classroom for Elementary Students Using Google Learn Domain

1. Go to BPS Launchpad/Google Apps (Learn)	
2. Go to the "waffle" on the top right of your Google Learn Drive to find the Google Classroom app icon	
3. Find the Google Classroom icon, if you do not see it click More.	
4. Check the page for your Google Classroom and click to Join to access. **If you do not see your classroom, click the + sign** on the top right of Google Classroom to join your teacher's Google Classroom with the code he/she provided."	 **OR use + for code**
