MESSAGE FROM THE PRINCIPAL

May 17, 2024

Dear Students and Parents,

As the school year draws to a close, I wanted to take a moment to celebrate and reflect upon the remarkable journey we have undertaken together. It has been a year filled with challenges, growth, achievements, and unforgettable memories. I am immensely proud of each and every one of you for your dedication, resilience, and commitment to excellence. Watching our 6th graders “Showcase” their learning as part of their Primary Year Programme Exhibition is always a highlight for me. They simply blow me away with their knowledge, creativity, and bravery. Talking in front of a crowd is HARD!

Appreciation for Staff and Parents: The last few weeks have been full of celebrating. Tuesday was our volunteer breakfast and teacher appreciation a week before that. We extend our heartfelt appreciation to our dedicated and talented staff members who have worked tirelessly to create a nurturing and engaging learning environment for our students. We also want to express our gratitude to the parents who have been instrumental in supporting and encouraging their children's educational journeys. Your involvement and partnership have played a crucial role in the success of our students. Thank you for entrusting us with their education and for being valuable members of our school community.

As I bid farewell to this VERY BUSY academic year, I eagerly anticipate the adventures and opportunities that will bring our school communities together in the future. We will continue to strive for excellence, innovation, and continuous improvement in your educational endeavors. Remember that learning is a lifelong journey, and I encourage you to carry the enthusiasm and knowledge gained this year into your future.

Next week we will officially wrap up the year. Our kinders will roll up and our 6th graders will Move On! Don't forget that Wednesday, Thursday, and Friday are EARLY DISMISSAL days (2:15). On behalf of the entire school staff, we wish you a safe, enjoyable, and rejuvenating summer break. Take this time to relax, pursue your passions, and create lasting memories with family and friends.

Please take a moment to view the 6th graders’ [“Sustainable Superhero Guidebook”](#). The “guidebook” is really their website. This website was 100% created by our 6th graders!!

Every video you saw yesterday is on the website 😊 We would love for you to explore it!

Congratulations on a wonderful school year!

Proudly, Freedom 7 Principal
