Principal's Message

Freedom 7 families,

There is one more week to complete your renewal application. NOW through October 29 is the window to secure your child/ren's educational opportunity at Freedom 7 for the 2022-2023 school year. **7 MORE DAYS!!!** Each year we have long waitlists and without your renewal you could find yourself without a seat at F7. Once your renewal is accepted, it is EQUALLY important to go into your dashboard and accept the seat. All of this has to occur prior to the end of the day October 29. Do not wait until the last minute! DO it TODAY 😊 There are no exceptions to this deadline.

Renew Here! <https://brevardflc.scriborder.com/family>

If you know that your child will NOT be returning, please email Carol Palmer.

Tell your friends!!! Applications for NEW students opens up November 1 through December 3. Please share this information with your neighbors, family members, and friends. We offer 54 spots in kindergarten and 12 seats in 4th grade each year. We also have many seats peppered throughout all grades as students have moved or move over the summer. We steadily move through our waitlist so everyone has a good chance. We've attached our informational flyer in the email for you to share. We offer tours for NEW applying families on many Fridays. They can sign up on our school website and learn more about our school!

Next week is Red Ribbon Week and our theme is: **Bee Safe. Bee Kind. Bee IB**

- Wednesday, October 27th is **Dress Like a Bee Day!** Students can wear black and/or yellow with uniform bottoms and shoes. They can wear accessories to look like a bee. Classes could also make accessories for this day.

Have a fabulous fall weekend!

International Day of Peace

October 22, 2021

Last month our school observed International Day of Peace on September 21. This is a day set aside by the United Nations to promote global peace. This year's theme, quite fitting with the world situation due to Covid-19 pandemic was "Recovering Better for a more Equitable and Sustainable World." In 2021, as we heal from the COVID-19 pandemic, we are inspired to think creatively and collectively about how to help everyone recover better, how to build resilience, and how to transform our world into one that is more peaceful, equitable, inclusive, sustainable and overall, healthier. The IB Learner Profile attributes our school community embodies and the work we do with helping students understand the 17 Sustainable Development Goals of the United Nations help bring this to light. Enjoy the photos of a sampling of "peace-

SOCKS FOR SCHOOL

We are excited to announce that our Third Graders will be leading Freedom 7 in a schoolwide “Socktober” funky socks fundraiser! We have partnered with *We Help Two* for several years. However, Covid has prevented us from participating the last two years. In the past, we have raised money to purchase prosthetic legs for three individuals, surgeries for two babies to correct clubfoot, and sponsorships for two children to go to school, which covered meals, uniforms, and teacher salaries.

This year, all proceeds will go towards sponsoring seven-year-old Noah Ssejongo, who lives in Uganda. Noah is currently in school, but his current sponsorship will end at the end of the year. If we meet our goal to sell 100 packs of socks, then we can send Noah to school for another full year. There are many new styles to choose

from this year! There are three pairs of socks in one pack. The cost is \$12.00 for each pack.

Click on the following link for more information about the

campaign and to purchase your socks: <https://go.wehelptwo.com/campaign/?campaignid=12331>

We will be taking orders now through October 31st. Our Third Graders will be promoting this wonderful event and inspiring the rest of the student body to be excited to be a part of such a meaningful cause!

“Change your socks...

Change a life.”
