Million Minute Reading at school

Monday

Students participated in a variety of fun literacy activities this week! We started off the week getting comfortable reading in classrooms for our Million Minute Reading. Students and teachers read in class, and elearners read at home.

Celebrate Literacy Week 2021

This Year's Theme

The 2021 Celebrate Literacy Week theme is *Humanity tells a story: What's your chapter?* All Florida schools were encouraged to help spread the love of reading and the importance of literacy. Our students played with words by writing on paint chips. **Tuesday** students enjoyed literacy on the law. On **Wednesday**, students used paint chips to study and play with words.

Thursday and Friday

Our week ended with students writing, reciting, and recording poetry. This year was a different one, but it was still lots of fun!

VEHICLE ISSUE

For those of you that use the East car loop, especially for pickup, please park as close to the curb as possible. There is a vehicle that has not moved in months that is parked "in the way", however, there is not much we can do about it at this time. The vehicle is registered and parked legally. I have attempted to make contact with the owner, but have been unsuccessful. As you proceed toward the entrance gate, please stop behind and in front of that vehicle so as not to create traffic congestion. Do not pull up next to the vehicle. It only takes one vehicle to not pull close to the curb to start a chain reaction of vehicles parked in the travel portion of Sunrise Dr. and creating a traffic hazard.

Thank you for your help in this matter!
