Dear Fairglen Families,

As we begin a new semester, I would like to wish you all a HAPPY NEW YEAR! I trust your break was filled with fun, laughter, and memories! As we begin 2024, I want to assure everyone that the high expectations in academics set from the beginning of the year will continue as we begin second semester. Students will be completing their Mid-Year FAST testing. We are excited to see their progress!

We are looking for amazing local businesses who would be willing to provide monetary donations to help us support our school. Any support that your business can provide would be greatly appreciated!

Thank you for your continued partnership as we work together for the betterment of our students!

Proud to be your principal,

Mrs. Meraz
