

# 2020-2021 Brevard County Public Title I Schools

## Fairglen Elementary School-Family Compact for Learning

District and School-based Title I Family Engagement Programs in Brevard County will strive to **BUILD RELATIONSHIPS** in order to create real family engagement for **every** child, **every** family, **every** teacher, **every** day.

This document was jointly developed by the families, students and staff of Fairglen Elementary School. This agreement explains how families and teachers will work together to make sure all students reach grade-level standards. Meetings are held each year to review this Compact and make changes based on student needs.

**School academic goal(s) and/or focus area(s)**

*Academic Goals: Increase ELA and Math proficiency  
Other Areas of Focus: Improve School Culture*

**Working together for success:**  
In the classroom

*Teachers will use standards aligned instruction with rigorous text to provide students with the best education possible. They will analyze data collected from formative and summative assessments so they can develop instruction to meet student needs and push them toward success.*

**Working together for success:**  
At home

*Families will support teachers and students by modeling a positive attitude toward school. They will keep up to date with all communication from the classroom teacher and the school. Families will read nightly with their students and work on math fluency*

**Working together for success:**  
Student responsibility

*Students will be safe, be kind and work hard while at school. They will make every attempt to attend school daily and request missed work on days they miss school. Students will complete all of their work on time.*

**Communication:**  
Staying informed

*Teachers and families communicate through the FOCUS application. This is available free to all families and gives families access to student grades as well as teacher messages. Students are also encouraged to regularly check their FOCUS so they are up to date on all communications. Fairglen updates the school website regularly with new information as it comes available. Additionally, we send home a monthly newsletter and families can contact the school via phone at anytime if they have questions or concerns.*

**Building Partnerships**

*Families are asked to participate in all Title I Family Engagement events throughout the school year. All stakeholders are invited to attend the monthly Student Advisory Committee as well as Parent Teacher Organization meetings. Unfortunately, due to COVID protocol, volunteers are unable to enter campus at this time.*
