201 Indian Trail  
Cocoa, FL 32927

Dear Parents, Guardians, & Families,

Brevard Public Schools will again be using the ReaXium School Bus Ridership program for the upcoming SY 2023-24. All buses have been outfitted with ridership tablets and GPS units.

ReaXium enables District Transportation and school administrators to improve the safety, security, visibility, and communications of school bus transportation by staying connected to everyone involved.

Your bus rider(s) was provided a district-issued bus badge with a barcode last year to use. Only one free replacement badge will be supplied. Additional badges can be purchased for \$10 at this link; [Brevard County Schools Replacement Bus Pass \(imagequix.com\)](https://www.brevardschools.org/replacement-bus-pass)

Bus riders must have their badges readily available to be scanned while boarding and exiting the bus to improve load times. Please assist in making sure your bus rider has their badge with them every day.

The barcode can be accessed through the Brevard Focus App. Please follow the instructions below to access the barcode and place on student phone or print:

1. Download Brevard Focus App
2. Log in using your student's district email address: (i.e. [studentid@brevardschools.org](mailto:studentid@brevardschools.org))
3. Log in to Microsoft using your student's district email address
4. Enter Password
5. Click on ☰
6. Click on Virtual ID Badge
