

# POSITIVE BEHAVIOR INTERVENTIONAL SYSTEM (PBIS)

## The PBS Model

This model is Golfview's foundation for students to become productive and successful citizens as they **G.E.A.R. UP for Success!**

## What is PBIS

**TEIR 1:** Tier 1 practices and systems establish a foundation of regular, proactive support while preventing unwanted behaviors. Schools provide these universal supports to all students, school-wide.

**TEIR 2:** Tier 2 practices and systems support students who are at risk for developing more serious problem behaviors before those behaviors start. These supports help students develop the skills they need to benefit from core programs at the school.

**TEIR 3:** At Tier 3, students receive more intensive, individualized support to improve their behavioral and academic outcomes. At this level, schools rely on formal assessments to determine a student's need.

**GOLFVIEW'S MISSION:** Golfview Elementary Partners with parents and community to help our students **G.E.A.R. UP** for success!

**GOLFVIEW'S VISION:** Golfview Elementary will create a nurturing and supportive environment that, in-turn, creates a culture of career and college readiness through **STEAM**.
