

Camp Bright Star.

Join us for an unforgettable day at Camp Bright Star, where gnomes bring light, love, healing, and hope for the holidays. This free, one-day camp is for children ages 5–12. It combines emotional support and grief education with a range of fun, interactive activities, focusing on uplifting and therapeutic experiences in the healing arts. Campers will learn healthy ways to process grief, make new friends who share similar experiences, and discover meaningful ways to heal — and find hope for the holidays.

Activities are led by Hospice of Health First and Bright Star bereavement specialists and specially trained volunteers.

Details:

- Registration is required by all campers.
