## Hornet Hive Lunch Date

On Wednesdays, parents are welcome to enjoy lunch with their children at Holland! We will begin this on Wednesday, September 6<sup>th</sup>, on a limited basis due to available space. To join your child, you must sign up for a time slot at <https://www.signupgenius.com/go/10C0E45A8AA2FA3FDC07-hornet> at least 24 hours prior. Please plan to stay for just the 30-minute timeframe designated, and enjoy lunch!

Call the office for questions. Thank you!

Dear Parents and Families of 3<sup>rd</sup>-6<sup>th</sup> Graders,

Your child will participate in the first administration (PM1) of the Grade 3, 4, 5, 6 Florida Assessment of Student Thinking ELA Reading and Mathematics, this Wednesday, September 6<sup>th</sup>, and Thursday the 7<sup>th</sup>.

Thank you for supporting your children and encouraging them to do their best during this test administration.

Sincerely,  
Stacy Cirino  
Assistant Principal/Testing Coordinator

## Tardy Students

Students arriving after 8:00 am must be escorted into the front office and checked in by an adult. For safety reasons, no student should be dropped off when there are no adults in the car loop. Thank you!

Thank you for your patience and cooperation during our inclement weather dismissals recently. As a reminder, the procedures for weather dismissals are:

- If there is light rain and no lightning, we will have a **REGULAR DISMISSAL**
- If there is heavy rain, even if there is no lightning, we will conduct a **RAINY-DAY DISMISSAL** (walkers/bikers are held indoors, car loop dismissal continues)
- If there is lightning in the vicinity, we will conduct a **LIGHTNING DISMISSAL** (all students are held indoors until it is safe to dismiss)

All Brevard Public Schools follow emergency procedures and guidelines in the event of severe weather. Brevard County is in a geographic area with a high risk of lightning strikes and lightning-related incidents/injuries. Understanding that the weather changes very quickly, lightning dismissal is often not called until the last minute. In these times of severe weather, dismissal may be suspended until it is safe to release students. When technology systems are working properly, an email/text message is sent through FOCUS. Your patience is appreciated during the wait time before your child can be released. We will always err on the side of safety and students will be dismissed if/when conditions improve.

Once again, we thank you for your cooperation as we work together to keep our students and staff safe!
