You are Invited to Holland Elementary School's

Field Day & Family Picnic

Parents are invited to join their children for lunch outdoors on this special day! You are also welcome to visit field day, or even volunteer to help! **If you are interested in volunteering, please click the link below:**

<https://www.signupgenius.com/go/30E0D4FA5AD28AAFE3-holland>.

Students can purchase lunches for the same price as usual. Adult lunch tickets will be sold beginning March 2, 2020. The lunch and field day schedule will available with tickets.

We look forward to seeing you there!

Congratulations to our 2019 – 2020 Odyssey of the Mind Team for their stellar performance on Saturday, February 22nd, at Viera

High School. This team competed in the Brevard Public Schools District OM Competition in solving the long-term problem, "Classics...The Effective Detective". There were 17 Division I teams which competed and our amazing team placed 7th out of the 17!! Team members are Hadley Stepan, Mayah Szoke, Haley Stepan, Samantha Noke, Morgan Goode, Elliana Lawson and Ellie Bennett. They were coached by two awesome parents, Tina Goode and Bang Ling Chang.

Through much hard work, team work, creativity and problem solving, our team has had a great time learning together and making new friends!! Congratulations, OMers and coaches!!

Upcoming Track Meets

Track meets will begin this month, with the first middle-school championship occurring Wednesday, March 11th. The first event is scheduled to begin at 1:00 pm. Like last year, an SBPD officer will man the entrance to our car loop. If you drive through our car loop during the meet, please be sure to watch for students who may cross the loop to move from one event to the next. Dismissal may be more congested, so please be patient. Additionally, please indicate to that you are a Holland parent by having your dismissal tag visible in your windshield. There will be no parking for Holland Families at Satellite Beach United Methodist Church's parking lot on this date. Please stay tuned for additional meet dates.

On Friday, March 6th, Holland's 6th grade CodeWorks Coding Team will compete in Brevard Public Schools Innovation Games at the UCF Solar Energy Center. These six students have worked for weeks to create original video games and stories in Scratch, a web-based software program. They submitted their games to the judging team which is comprised of employees from Northrup Grumman and L3Harris and will demonstrate their games on March 6th to the judges and competing elementary teams. Prizes will be given for 1st, 2nd and 3rd places.

Please cheer us on as we finalize our presentations this week! Team members are Danika Tirpak, Henry Christiansen, Logan Gordon, Connor Osborn, Alexa Daleiden and Joshua Olson. We can't wait to see you shine with Holland Excellence!

Survey for Parents of Children with Disabilities

Each year, the Florida Department of Education (DOE) conducts a parent survey designed to provide the DOE and the United States Department of Education with information on how well Florida's Schools are supporting parents' involvement in their disabled child's special education and related services program(s). This survey is to be completed by parents whose child or children have an Individual Education Plan (IEP). The window for the survey for the 2017-18 school year is **February 1 through May 31, 2020.**

It is important that parents of children with disabilities from preschool age through grade 12 complete the survey. Paper surveys, with accompanying pre-addressed return envelopes, were sent home this week to parents of ESE students. Each envelope will contain a parent cover letter, a survey, and a postage-paid return envelope. The paper surveys can be completed, OR the survey can be completed online at www.esesurvey.com. Parents who have more than one child with an IEP should complete the survey for each of their children. The DOE will maintain a secure website for the survey and will compile the results of all returned surveys. When parents go the online DOE survey website, they will be asked to select their child's school district, school name, and enter their child's grade and date of birth. The website provides assurance that the information given by the parent on the survey is kept confidential and will not be linked in any individually identifiable way to the parent or child.

If you have any questions or concerns please contact Lane Anderson, FDLRS Parent Education Specialist, at (386) 255-6475, ext. 52837 or (321) 633-1000, ext. 11540 (to leave a message) or via email to laanders@volusia.k12.fl.us.

All Holland Hornets participated in the **No One Eats Alone** initiative in honor of our Bee the Change Character Trait for February, **KINDNESS**. Students sat with students they don't normally sit with, and demonstrated kindness toward one another for this special event, that occurred on Valentine's Day.

Many classes extended this sentiment further, including our first graders, who wrote something kind about their lunch buddy and shared their kind note with them on this special day.

Thank You Doreen Merkel, our Crossing Guard!

Crossing Guard Appreciation Day was on Friday, February 14, 2020. We want to thank our WONDERFUL crossing guard, Doreen Merkel, not only for keeping our students safe each morning and afternoon, but also for her great kindness and generosity.
