September Character Trait:

COURAGE

Displaying bravery when it is needed the most.

DISMISSAL CHANGES, CHECKOUTS, & DROP OFFS

Any items or messages that parents/guardians need to deliver to their child should be brought to the front office. To minimize interruptions to instructional time, please limit items being dropped off during the school day. Non-emergency items received after 8:15 a.m. will be delivered to students just prior to lunch. Lunches may only be dropped off by a parent or guardian.

Whenever possible, appointments should be scheduled for after-school hours. If a student needs to be checked out during the school day, a note should be sent to the teacher in advance. Students will be called to the front office only after the parent/guardian arrives and signs the student out. Parents/guardians must remain in the front office while waiting for their child.

Students may only be released to a parent/guardian or an authorized individual listed in the student's FOCUS registration information. A photo ID is required for all student checkouts. If anyone other than a parent/guardian attempts to check out a student without prior notification from the student's legal guardian, the legal guardian will be contacted to provide approval before the student is released. Students may not be checked out after 2:00 p.m. on regular school days or after 1:00 p.m. on early dismissal days.

All dismissal changes must be submitted in writing. Changes cannot be accepted by phone. If an email is sent to the teacher regarding a dismissal change and you do not receive a response, please contact the front office prior to dismissal.

VISITORS AND VOLUNTEERS

The faculty and staff at Holland welcome volunteers to our school! For safety purposes, our front doors remain locked throughout the school day. It is extremely important for the safety of our students that all visitors and volunteers check in at the front office as soon as they arrive. This applies to anyone who enters the campus. A drivers license or state ID must be scanned in our computer system in order to sign in. Yellow visitor/volunteer badges must be worn at all times while on campus. Anyone volunteering must have a prearranged purpose for their visit/volunteering appointment.

****All visitors must be buzzed in through the main point of entry by front office personnel in order to enter the school building. Those who are not registered volunteers must be escorted and supervised by a staff member at all times while on campus.***

BECOME A VOLUNTEER
https://www.brevardschools.org/o/bps/page/volunteers

HOLLAND PTO

Holland PTO invites every parent and guardian to become a member and play a role in the continued success of Holland Elementary. Working closely with administration and staff, the PTO helps support school and classroom needs that are not covered by the annual school budget.

Throughout the school year, the PTO provides many opportunities for families to get involved through school activities, fundraisers, and volunteer efforts. Every level of participation is valued, and your support makes a meaningful difference for our students and staff.

PTO meetings are a wonderful way to connect with other Holland families, learn more about upcoming events and initiatives, and work together to support our school community.

MEET OUR HOLLAND PTO BOARD MEMBERS!

		Welcome to Holland's Hive the Place to Bee	October Character Trait: **CITIZENSHIP**		Doing your share to make your school, your community, and the world a better place.	

FREE/REDUCED LUNCH PROGRAM

Students from qualifying families may be eligible to participate in a federally funded lunch program. To determine eligibility, a completed application is required. Applications must be submitted in advance, and processing time may take up to ten days for paper applications. Online applications are processed more quickly, typically within two business days.

Applications are available in the front office or online at www.brevardschools.org. From the homepage, click on the "Parent" tab, then select the "Free and Reduced Information" link.

If your child was participating in the Free/Reduced Lunch Program during the final week of the 2025–2026 school year, a new application must be submitted and approved for the 2026–2027 school year. If a new, approved application is not on file, the student will be removed from the program after the first 30 days of school. We encourage all families to complete the application, as eligibility may qualify students for additional programs and benefits.

For questions, please contact Teresa DeCormier, Cafeteria Manager, at 321-777-2815.

LOST OR FORGOTTEN LUNCH MONEY

Lunch money dropped off at the front office will be delivered to the cafeteria and deposited into the student's lunch account. Any lunches that are dropped off (by parents/guardians only) will be delivered at the student's scheduled lunch time. This procedure helps prevent interruptions to instructional time.

The school is unable to lend lunch money to students who forget or lose it. Students without lunch money or a packed lunch will be offered a peanut butter and jelly sandwich or a ham and cheese sandwich; a peanut-free alternative will be provided for students with nut allergies.

MySchoolBucks is available for parents who wish to make convenient online prepayments to their child's lunch account. To use this no-cost service, please create an account at www.MySchoolBucks.com and enter your child's student ID number. If you need your child's student number, please contact or visit the front office.

Please allow up to 48 hours for new accounts to process, and plan accordingly when making deposits or payments.

22	23 Thanksgiving Break	24 Thanksgiving Break	25 Thanksgiving Break	26 Thanksgiving Break	27 Thanksgiving Break	28
29	30 Interim Reports Published on FOCUS/Issued					

November Character Trait:

GRATITUDE

The quality of being thankful; readiness to show appreciation for and to return kindness.

PROGRESS REPORTS/REPORT CARDS

Progress reports are issued at the end of each nine-week grading period. These reports provide an important snapshot of your child's academic progress, including grades in all subject areas, attendance, and behavioral information for each marking period. Progress report envelopes should be signed by a parent/guardian and returned to the classroom teacher in the envelope provided. Interim reports are issued approximately every four weeks throughout the school year to provide regular updates on student progress. Dates for both Progress Reports and Interim Reports are posted on this calendar as well as on Holland's website.

Together, Interim and Progress Reports are an important way to monitor your child's growth, celebrate successes, and support continued academic achievement. All reports are also available in FOCUS on each issuance date.

STUDENT CONDUCT

Brevard Public Schools maintains a district-wide discipline plan to support a safe, orderly learning environment for all students. This plan outlines a range of corrective strategies used in response to behavioral incidents and is outlined in the Elementary and Secondary Code of Student Conduct, available on the district website under Parents & Students, Code of Student Conduct.

At Holland Elementary, our discipline approach emphasizes positive behavior, responsible decision-making, and a supportive school climate where students are encouraged to make safe and respectful choices. Our schoolwide rules are:

1. **I will keep my hands, feet, and objects to myself.**
2. **I will respect all people at all times.**

These expectations are designed to ensure student safety and promote active engagement in learning. In addition, each classroom teacher establishes specific rules and procedures appropriate to their grade level and classroom environment. Strong communication between teachers and parents/guardians is essential to student success and safety. Working together as a team, we are committed to providing the most positive and productive learning environment for every student at Holland.

HOME TO SCHOOL COMMUNICATION

We are committed to keeping open lines of communication and partnering with families to support every student's success. Download the official Brevard Public Schools Mobile App today for access to Holland news, calendars, push notifications, and more. Once downloaded, you will receive a welcome email with a username and password to manage your account and flyer delivery preferences. You may also visit our school website, where all published flyers and monthly editions of our school newsletter, The Hornet, are available: http://holland.brevardschools.org/o/hes. You are also welcome to visit our official Facebook page for additional information about school events. To ensure you receive all communications regarding school activities, events, inclement weather, and other important updates, please keep your email address and phone number current in FOCUS. Holland teachers communicate with families regularly through newsletters, group emails, and classroom updates. In addition, our school publishes a monthly newsletter, The Hornet, highlighting important news and upcoming events. Families can also stay connected through our school website (https://www.brevardschools.org/o/hes) and our official Facebook page.

For direct communication, you may contact us at HollandElementary@brevardschools.org or reach your child's teacher via email (lastname.firstname@brevardschools.org). FOCUS emails, texts, and automated voice messages are also sent periodically with reminders and school information. If you are not receiving these communications, please contact the front office to ensure your information is up to date.

FOCUS PLATFORM

Student information is maintained in FOCUS, our district's electronic student information system. This online tool provides parents/guardians with convenient access to important information, including grades and averages, attendance records, conduct information, school payments, classroom announcements, homework assignments, and other updates related to their child's school experience. Regularly checking FOCUS is a wonderful way to stay informed about your child's progress and partner with teachers and the school to support their success.

The Brevard Public Schools FOCUS Mobile App is available for download through the iOS and Android app stores. Parents with an existing FOCUS account can log in using their current username and password. FOCUS accounts remain active from year to year, so a new account does not need to be created annually.

Parents who do not already have a FOCUS account will need to create one. For additional information and instructions on downloading and setting up the app, visit: https://brevardedtech.brevardschools.org/o/edtech/page/parents-students-focus.

If you have questions or need assistance with the FOCUS platform, please contact the Holland Elementary front office.

CHANGE OF ADDRESS OR TELEPHONE NUMBERS

It is important that parents/guardians notify the school whenever there is a change to your address, phone number, or other contact information. Please update your information by completing a Change of Student Information Form in FOCUS.

If your address has changed, two (2) proofs of residency will be required. If your family moves outside of Holland's attendance zone, we encourage you to complete an ELO (Educational Location Option) application if you would like your child to continue attending Holland Elementary. We value our students and families and would love the opportunity to continue being part of your child's educational journey whenever possible.

WITHDRAWALS OR TRANSFERS

If your family plans to withdraw or transfer your child to another school, please notify the school or your child's teacher as soon as possible before your child's last day of attendance. Please include your child's final day at Holland Elementary and the name of the school your child will be attending. A withdrawal form will be emailed to the parent/guardian and must be completed and returned to the front office before the withdrawal or transfer process can be finalized. Prior to completing the withdrawal, all school property must be returned or accounted for, and any outstanding charges must be resolved.

We appreciate the opportunity to have been part of your child's educational journey and wish your family continued success in your next chapter.

STUDENT RECORDS

Student educational records are private and confidential and are maintained in accordance with applicable laws and regulations. Access to student records is limited to the student's parent/guardian and authorized school officials or employees with a legitimate educational purpose, unless written permission is provided by the parent/guardian.

If you would like to authorize another individual or organization to access your child's educational records, please contact the front office or guidance department to request and complete an "Authorization for Release and Exchange of Information" form.

January Character Trait:
INTEGRITY

Knowing the difference between right and wrong and choosing to do the right thing, even when it is difficult.

BPS DRESS CODE EXPECTATIONS

- Head gear, including but not limited to caps, hats, bandanas, and/or sunglasses shall not be worn indoors on campus unless permitted by the principal for religious or medical reasons. Students may wear sunglasses, hats, or other sun-protective wear while outdoors during school hours, however these articles must not violate this dress code.
- All clothing must be appropriately sized, securely fastened and cover midriff, back, sides, and all undergarments at all times. For example, suspenders should be over the shoulders, pants secured at the waist, belts buckled, no underwear as outerwear, no underwear exposed. Clothing should be opaque.
- Garments must be of a length and fit that are acceptable to the build and stature of the student. The cut of sleeveless garments must not expose undergarments. Clothing must cover the body from one armpit across to other armpit. Upper garments should meet lower garments.
- Strapless garments are prohibited. (Tube tops and halter tops are prohibited.) Formalwear for special events may include strapless garments.
- Pants and shorts shall conform to the build and stature of the student, shall be worn at the waist, and shall not extend below the heel of the shoe in length. Rips, holes, or tears in clothing must be below midthigh.
- Shorts must have clearly discernible inseams that cover the buttocks.
- Students must wear shoes that are safe and appropriate for the learning environment, including recess, PE, CTE, and labs. (Crocs are not appropriate for grades K-6).
- Inappropriate footwear includes, but not limited to, roller skates, skate shoes, and slippers.
- Gang paraphernalia, garments and/or jewelry, tattoos, or other insignias, which display or suggest sexual, vulgar, drug, alcohol, or tobacco-related wording/graphics or may tend to provoke violence or disruption in school shall not be worn.
- Clothing must not state, imply, or depict hate speech or imagery targeting groups based on race, ethnicity, gender, sexual orientation, religious affiliation, or any other characteristics protected by federal or state law.
- Any articles of clothing or jewelry that may cause injury including, but not limited to, items with spikes, or sharp objects, wallet chains, and heavy link chains are not allowed.
- Dress shall not emulate non-human characteristics.

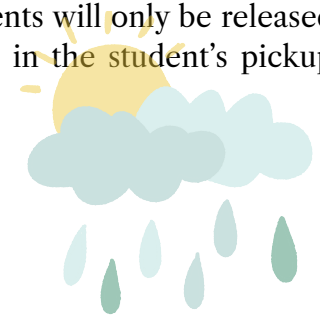

INCLEMENT WEATHER DISMISSAL PROCEDURES

All Brevard Public Schools follow procedures outlined in each school's School Emergency Operations Plan to provide guidance and ensure the safety of students and staff during emergency weather conditions. Holland Elementary School will follow these procedures below in the event of inclement weather.

Weather dismissal procedures are as follows:

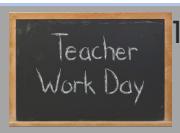

- **REGULAR DISMISSAL**: If there is light rain and no lightning in the area, dismissal will proceed as usual.
- **RAINY-DAY DISMISSAL**: If there is heavy rain, even if there is no lightning, a rainy-day dismissal will be implemented. Walkers and bikers will remain indoors until they are dismissed safely, while car loop dismissal will continue as usual.
- **LIGHTNING DISMISSAL**: If lightning is detected in the vicinity, all students will remain indoors until conditions improve and it is safe to dismiss.

Because weather conditions can change quickly, rainy-day and lightning dismissals are sometimes called with little advance notice. During severe weather, students may be held inside the building or under covered areas to ensure their safety. When technology systems are functioning properly, a notification will be sent to families through FOCUS. We appreciate your patience and understanding during these weather-related delays. Student safety is always our highest priority, and teachers and staff will begin dismissal once an "all clear" has been given and conditions are safe. If you need to pick up your child before an "all clear" is announced, you may park and enter the building to request your child's release. You must present your dismissal tag or a valid photo ID. Students will only be released to individuals listed as authorized contacts in the student's pickup information.

Thank you for your patience and understanding as we work together to ensure the safety of all our students!

28						

Welcome to Holland's Hive the Place to Bee

February Character Trait: KINDNESS

A way of showing love to the people around you, by having a friendly, considerate and generous nature.

Student Attendance

Regular school attendance shall be the responsibility of parent/legal guardian and students. In addition, the parent/legal guardian shall be required to justify each absence of the child by providing the reasons and explanations for the child's absence from school.

Each school shall continually encourage and promote regular school attendance of students. Furthermore, each school shall maintain accurate attendance records, track absences, and follow attendance reporting procedures prescribed by the Superintendent.

- Regular attendance is when a student attends more than 95% of the academic school year.
- Chronic absence is described as missing 10 percent of the school year – or about 18 days – for any reason, excused or unexcused. That's the point at which absenteeism begins to affect student performance.
- Regular school attendance is a necessary part of a student's education. Excessive absences impair a student's educational progress, impacts whether the student passes or fails a grade, and may result in court proceedings and/or loss of driving privileges.
- A signed parent note may excuse up to ten (10) school days per year as an excused absence. Absences of five (5) consecutive days or more may require medical documentation. If a student has a chronic health condition, they should contact the school to engage in the chronic health condition process, outlined in Policy 5335. Without exception, all required documentation concerning absences must be submitted within two (2) days of the student returning to school.
- Any absence of the student must be reported to the school by the parent/legal guardian within two days (48 hours) of the absence in order to be considered an excused absence.
- A "truant" student is a student, subject to compulsory school attendance, who has had:
    - o 5 unexcused absences (or absences for which reasons are unknown) within a calendar month; or
    - o 10 unexcused absences (or absences for which reasons are unknown) within any 90 calendar days; or
    - o Has had more than 15 unexcused absences within 90 calendar days.
- "Habitually Truant"
    - o 15 (or more) unexcused absences within 90 calendar days
    - o Subject to compulsory school attendance
    - o Not exempt from compulsory school attendance
    - o Activities to determine the cause of non-attendance and attempts at remediation have been completed by the school.
- Truancy counts only unexcused absences, whereas; chronic absence counts all absences: excused, unexcused and suspensions.

NEW: Per Senate Bill 1344, School principals must confirm that remediation efforts at the school level are in place or that they are pursuing appropriate court intervention for all minor students who have accumulated 15 days or more of unexcused absences. This information is then submitted to the School Board at the end of each grading period to ensure that all students meeting these criteria are being addressed by remediating truancy at the school level or pursuing appropriate court intervention.

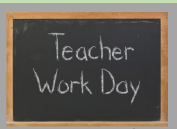

Open Enrollment Revocation

- Revocation of an Educational Location Option (ELO) or Educational Program Opportunity (EPO) may occur for the following reasons:
    - o Poor attendance
    - o Inappropriate behavior
    - o Unacceptable grades due to lack of academic effort by the student
    - o Excessive tardies or late pick-up after school of the student
    - o Falsification of address or entrance documents

Tardies

Students should be in their classrooms at 8:00 a.m. Students arriving after 8:00 a.m. must be escorted by the parent/guardian to the front office where they will receive a tardy slip. For safety reasons, students **MAY NOT** sign themselves in, and must be accompanied by an adult when arriving late to school. Parents of students with excessive tardies will be contacted by administration. F.S.230.23(6)(b), 232.022,232.09(2), 232.17

CLINIC INFORMATION

The clinic is intended to provide care for students who become ill or are injured during the school day. Students who vomit or have a fever will be sent home. Other illnesses or injuries will be evaluated on a case-by-case basis, and parents will be contacted as needed.

School personnel may assist students with the administration of prescription medication when proper parent authorization and required documentation are provided. To ensure the safety of all students, the following guidelines must be followed:

- Medications, including over-the-counter (OTC) medications, must be kept in the clinic.
- Parents or guardians must bring all medications to school. Please do not send medication of any kind with your child. Students may not transport or carry medication, including OTC items such as cough drops, Tylenol, or similar products.
- If a physician prescribes medication that must be carried by a student during the school day, additional documentation is required. This documentation may be obtained from the school nurse.
- All medications must be in their original containers.
- All medications must be prescribed by a physician.
- A completed "Request for Administration of Medication" form must be on file in the clinic for each medication. Personal letters or notes cannot be accepted.

7:30 am - 1:30 pm

STUDENT HEALTH

To help us provide safe and appropriate care, parents and guardians should ensure that their child's medical information is current in FOCUS. This includes food allergies, medical conditions, and any medications your child is currently taking.

If your child has a serious health condition, please contact the school counselor to schedule a meeting with the nurse liaison. Together, the school team and family can develop a Health Care Plan and, when applicable, an Emergency Action Plan.A completed health card is required for every child attending school. Please update this card if there are any changes during the school year, so you can be reached in case your child becomes ill or is injured at school.

If a student needs to be excused from physical education due to a physical limitation or injury, please provide a written note to the classroom teacher and PE teacher. Any continued limitation or extended restriction will require a written excuse from a physician to be kept on file at the school.

ACCIDENTS

Accidents that occur at school are reported to the front office. Students involved in an accident will be evaluated in the clinic, and appropriate care will be provided based on the nature of the injury. Accident reports are maintained on file with the Brevard Public Schools Office of Risk Management.

Holland Character Traits

- August — Respect
- September — Courage
- October — Citizenship
- November — Gratitude
- December — Generosity
- January — Integrity
- February — Kindness
- March — Honesty
- April — Perseverance
- May — Responsibility

BREVARD

Before & After School!

art • wellness • games • STEM • music • nature • dance

Philosophy

Our BAS Child Care Program provides a safe and engaging program beyond the school day for children of families in our school community. The program provides an environment that challenges and encourages the children to explore while supervised by a caring and qualified staff.

Days & Hours of Operation

Before Care
Monday-Friday
6:30-7:30 am

After Care
Monday-Friday
2:30 pm - 6:00 pm
Early Release Days
1:30 pm - 6:00 pm

Fun Facts

Crafts, Cooperative Games, Sports, HW Club, Hip Hop Cheer, Photography/Newspaper Club as well as monthly themed special events. Additional Enrichment Clubs sponsored by BAS.

For more information please call our BAS Coordinator at (321)372-3452

May Character Trait: RESPONSIBILITY

Doing the things you are supposed to do and accepting the results of your actions.

BICYCLE & WALKER PROCEDURES & SAFETY GUIDELINES DURING ARRIVAL AND DISMISSAL

To ensure the safety of all students, families are asked to follow these bicycle and walking procedures:

- Bicycle helmets are required by law and must be worn when riding to and from school.
- All bike riders and walkers must leave campus immediately after dismissal. Students may not remain on school grounds or linger after dismissal.
- Bicycles should be secured to the bicycle rack and may not be removed before dismissal unless supervised by an adult. The school and School Board are not responsible for lost or stolen bicycles.
- Bicycles may not be ridden on school sidewalks or anywhere on campus. Students must walk their bicycles at all times while on school grounds and in crosswalks.
- Only one person may ride on a bicycle at a time.
- Students must walk bicycles across busy streets and follow the directions of crossing guards and school personnel.
- Riding a bicycle to school is a privilege. Students who repeatedly fail to follow bicycle safety guidelines may lose the privilege of bringing a bicycle onto school property.
- If you are checking out a student who rides a bicycle, please allow additional time for staff to open gates and for your child to retrieve his/her bicycle.
- Parents/guardians who wish to meet their child at the bike rack or inside the security gates must present their dismissal tag to school personnel at the gate.

Thank you for helping us keep all Holland Hornets safe while traveling to and from school.

CAR LOOP PROCEDURES & SAFETY GUIDELINES DURING ARRIVAL AND DISMISSAL

To ensure a safe and efficient arrival and dismissal process for all students, please follow the guidelines below:

- The speed limit in the car loop is 5 MPH.
- Dismissal tags with your child's name must be clearly visible in the vehicle's front windshield in order for your child to be released. For a quicker dismissal process, please leave the tag displayed until your child has been loaded into the vehicle.
- If you are dropping off or picking up a student, you must remain in your vehicle at all times.
- For safety reasons, students will not be dismissed to adults as "walk-ups" in the car loop. All car riders must be picked up by a vehicle using the designated car loop.
- Students arriving or departing by car must load and unload only in the designated car loop areas and from the passenger side of the vehicle.
- Students must cross only at designated crosswalks where crossing guards or staff members are present. Please do not cross the car loop from the parking lot except at the designated crosswalk.
- Parents/guardians who would like to escort their child to class during arrival must sign in at the front office before entering the building.
- Students may not walk to vehicles parked in campus parking lots without adult supervision.
- All students, including Safety Patrol members, must be picked up by 2:50 p.m. on regular school days and 1:35 p.m. on Early Release Days.
- Please do not use handicapped parking spaces as a "park and wait" area during dismissal. This is a violation of state law. Vehicles parked in designated handicapped spaces must display a valid handicapped parking emblem or placard.

Thank you for helping us maintain a safe and efficient arrival and dismissal process for all Holland Hornets!
