### Parent/Community Involvement Opportunities K-12 Science Instructional Materials Adoption

Brevard Public Schools (BPS) is inviting parents and community members to provide input for the selection of Next Generation Sunshine State Standards Aligned instructional materials. There are four opportunities for parent/community input at ESF, our School Board Office:

- October 12 from 6:00-8:00 pm Parent/Community Information Night
- October 12-November 9 Online Access for Parent Input Survey
- October 23 from 8:00 am-noon Parent/Community Information Day

Brevard Public Schools (BPS) is committed to fostering high-quality learning experiences we know students need to ensure they have a solid K-12 science education. The upcoming instructional materials adoption cycle for science is an opportunity to select high-quality instructional materials for the beginning of the 2018-2019 school year. Participating in the instructional materials review process is a powerful opportunity for teachers, administrators, parents and community members.

We extend a sincere  
**THANK YOU!**

Thank you to our generous Community Business Partners who contribute generously to support Holland Elementary for special events and times of need!

Thank you to **Starbucks** for providing coffee for our recent Dads Take Your Child to School Breakfast.

Thank you also to **Walmart and Walgreens** for donating water, supplies, and gift cards during our recent boil water alert.

## Holland's Second Annual Dads Take Your Child to School Day Breakfast

What an excellent turnout we had at our recent *Dads Take Your Child to School Day Breakfast!* Our cafeteria served more than 400 meals to our participants that morning. It was an honor to serve all of our dads and their children and pay special honor to our military families. Thank you to all who joined us for this very special event!

## Parenting in Today's World

### Annual Asbestos Notification to Building Occupants and Their Legal Guardians

Our records indicate that no asbestos removal activities or any other type of asbestos response actions have taken place at Holland Elementary School during the past year (July 1, 2016 to June 30, 2017).

#### Background Information

The United States EPA requires all accredited school districts to provide building occupants with a yearly correspondence describing any/all asbestos materials removed from each school during the past year.

The EPA Asbestos Hazard Emergency Response Act (AHERA) of 1986 required an asbestos inspection of each school facility nationwide. This inspection was completed in 1988. The scope of the survey included sampling building materials that might contain asbestos, assessing the condition of the materials, performing laboratory analysis of each sample, and writing a comprehensive report called an Asbestos Management Plan.

The Management Plan document and subsequent three-year re-inspection documents are on file at the school administration office. These documents are available to the public for review.

## COOKIE DOUGH FUNDRAISER

**October 6<sup>TH</sup> - October 20<sup>TH</sup>**

Please join us in fundraising to help support the school's effort to enhance your child's education and overall academic experience. For the safety of our children, please no "door to door selling". Checks can be made payable to Holland PTO. Write your child's name and teacher's name on the memo of checks and order forms, as well as your phone number, and use the collection envelopes to submit your checks and order forms. Students will earn **prizes** for certain amounts sold!

**Send in collection envelopes and payments ON OR BEFORE OCTOBER 20.** Delivery will be three-four weeks from the end of the sale.

**Thank you for supporting Holland!**

Questions can be directed to Elizabeth Grillo at 516-330-4020.
