What an excellent turnout we had at our recent *Dads Take Your Child to School Day Breakfast*! Our cafeteria served more than 500 meals to our participants that morning. It was an honor to serve all of our dads and/or male role models and their children, and pay special honor to our military families.

Thank you to everyone who came and all who worked hard to prepare for this very special event!

## **October is National Bullying Prevention Awareness Month**

Every October, schools and organizations across the country join STOMP Out Bullying™ in observing National Bullying Prevention Month. The goal: encourage communities to work together to stop bullying and cyberbullying by increasing awareness of the prevalence and impact of bullying on all children of all ages. This is our month to be leaders at school and carry it through all-year-round!

Here at Holland, every student and family signs an anti-bullying contract, and vows to maintain a physically and emotionally safe learning environment. We encourage kindness and integrity through our *Bee the Change* #kindnessmatters campaign, and we are proud of the strong leadership skills our students demonstrate.

Look for activities we will have throughout the month, along with Red Ribbon Week, to support the anti-bullying cause during National Bullying Prevention Awareness month. The more awareness that is created during the month of October -- and all year 'round, we are one step closer to putting an end to bullying!

## **Holland's Literacy Night**

**Thursday, October 17<sup>th</sup>**

If you would like to know more about the Florida English and Language Arts Standards and classroom instruction, please plan

to join us on **Thursday, October 17<sup>th</sup>** for a wonderful evening of fun and learning for all! The committee is busy planning valuable sessions to help support and share expectations in the areas of reading and writing. We look forward to seeing you there!

## **Wednesday, October 2<sup>nd</sup>**

Thanks to all who celebrated **WALK TO SCHOOL DAY** with us on **Wednesday, October 2<sup>nd</sup>**! We joined thousands of school stakeholders who celebrated the many benefits of walking to school. Holland students, parents, and staff members met in front of the Satellite Beach Post Office and walked to school together.

Many thanks to Cindy Hosken, Physical Education Teacher, for arranging this opportunity for us!
