2nd Grade Valentine's Day Program ♥

Celebrate Literacy Week, <i>Holland!</i>	
Monday	Wear your Words Wear a shirt with positive words on it.
Tuesday	Tacky Tourist Tuesday Dress Like a Tacky Tourist and read a book about Travel.
Wednesday	Oh, The Places You Will Go! Listen to this great Dr. Seuss book: https://www.schooltube.com/media/t/1_b585bm07
Thursday	Team Up to Read Wear your favorite team shirt and find a friend to read with.
Friday	Hero Day Dress up like your favorite hero because literacy saves the day!
Weeklong Activities	<ul style="list-style-type: none"> ❖ <i>Book Reviews</i> on the Morning Announcements ❖ <i>Get Caught Reading!</i> Students will receive coupons when caught reading, and can submit tickets for a chance to win a book on Friday. ❖ <i>Trip Passports!</i> Students use their "passport" to keep track of their reading for the week.

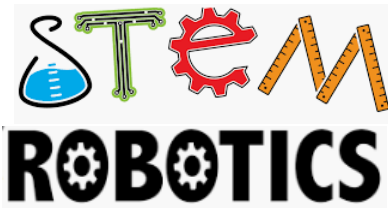

Thank You for Your Support!

Holland Families, we are thrilled to report the results of our Florida Wildlife Hospital community service project. Holland families helped raise \$1,425 for the hospital! Additionally, we received many donated items that the hospital will be able to use to care for the animals.

A special SHOUT OUT to Mr. St. Pierre's fourth grade class who won the pizza party! They raised a whopping \$365.00! This hospital is a non-profit sanctuary/rehabilitation center for native and migratory species. They were overwhelmed by the generosity of our families! In addition to the funds raised, Manifold's fourth-grade class presented over 32 educational presentations to classes in grades K-6. The class felt that raising awareness was as important as the funds raised in supporting our native species in an ever-changing landscape. Again, thank you for your amazing support!

SCHOOL NEWS

Holland Elementary School's LEGO Robotics and CodeWorks Coding Teams have been busy!! On Saturday, January 18th, the Robotics Team participated in a statewide Robotics Competition at Spruce Creek High School in Port Orange. Then on Saturday, January 25th, both teams participated in the Grand Opening and Ribbon Cutting Ceremony for the new STARBASE Program, as well as the *All Systems Go!* Event at PAFB Youth Center. Some students were interviewed, and many participated in the ribbon cutting! Click this link to view the news article:

<https://www.mynews13.com/fl/orlando/news/2020/01/25/starbase-program-opening-on-space-coast>

Many Holland students and families attended this exciting event and participated in STEM activities to include rocket launches and virtual-reality experiences. Both our LEGO Robotics and CodeWorks Teams also participated in an interactive/hands-on exhibition at this event, where they shared what they have created and learned on their teams thus far. The Coding Team received feedback on their creations in preparation to compete in the BPS-sponsored Innovation Games, to be held on Friday, March 6th at the Cocoa Solar Center.

CONGRATULATIONS to our **INCREDIBLE** teams on all of their hard work and active participation in these events! Many thanks to our **WONDERFUL** parent volunteers, as well as to Mrs. Lee, Mrs. Harris, and Mr. Joyce, our **AMAZING** club sponsors!

SCHOOL NEWS

Science Fair Finishers

CONGRATULATIONS to all of Holland's Science Fair participants! The projects were impressive and students made outstanding presentations of their individual and team projects. Third Place		Jenna Hammer	Noah Flores

Thank you to all of our families who supported their children with their projects. Many thanks to Mr. Joyce, our Science Fair Coordinator, for facilitating such an outstanding fair!

Holland Spelling Bee

Thursday, January 30, 2020

8:30 am

Students in grades 4-6 have participated in classroom spelling bees and the winner from each class will participate in our school bee. If your child will participate, you will receive an invitation to join us.

Artwork from some of Holland's student artists will be on display at the Melbourne Square Mall Art Show from now through February 8th. Work from many schools will be on display as well.

SCHOOL NEWS

INTEGRITY

The following students were recognized for demonstrating the greatest amount of our December Character Trait, GENEROSITY! Students were nominated by each teacher for demonstrating GRATITUDE in their classrooms.

Kindergarten

Saniyyah Basnight – Bonomo
Asher Noke – C. Smith
Amara Job – N. St. Pierre
Lena Oliver – Weatherspoon

First Grade

Addisyn Jones – McDonald
Mila Tirpak – Hering
Liam McCarthy – DeMarco
Ash'Lyn King – Patton
Emily White – T. Smith

Second Grade

Zoe Hufnagel – Culbreth
Jaiden Roberto – Devletoglou
Amelia Easterlin – Lo
Sinclair Watts – Vizzini

Third Grade

Amara Castaneda – Breder
Landon Sugiyama – B. Brown
Eva Gastelum – Lawrence
Ellie Bennett – Williams

Fourth Grade

Trevor Hawley - Hodge
Mayah Szoke – Manifold
Jameson Scaccia – J. St. Pierre

Fifth Grade

Colette Hoffman - R. Brown
Travis Paul - Chamberlin
Aidin Markle - Johnson
Christopher Fudge - McCormick

Sixth Grade

Kaden Boccardi - Donaldson
Henry Christiansen - Joyce
Journey Clewis - Spencer

***February
Character Trait:
KINDNESS***
