Youth of the Month Recognition Award

Sixth-grader, Logan Aguilar, recently received the Satellite Beach Youth Council's **YOUTH OF THE MONTH Recognition Award at Satellite Beach City Hall!**

Logan was nominated due to his outstanding leadership, kindness, and responsibility. Last month, he noticed a lost student on his way home, and he acted quickly. He reported it to an adult and then remained with the student on the path until help arrived. Logan was also awarded with a Golden Patrol Badge by Mr. Culbreth, Safety Patrol Sponsor, for his outstanding service.

CONGRATULATIONS and way to go, Logan!

MAD SCIENCE

LEARNING AND FUN!

TUESDAY, OCTOBER 31ST

Tomorrow, Tuesday, October 31st, in lieu of any other dress up at school, we will conduct special science and STEAM projects school-wide. Students are welcome to dress as mad scientists! All mad-science dress up must be school appropriate.

Any parents scheduled to volunteer must be registered volunteers. Please bring your ID and check in at the front office.

SCHOOL NEWS

Early Literacy Corner

Parents Can Help Nurture Healthy Language Development

Children are wordsmiths! They love to tell stories. They often come home with a new joke to tell. They are quick to learn and use new vocabulary. "Read it again" is a phrase that often comes from a child's lips.

Provide opportunities for your child to practice new skills during these important early childhood years.

Talk while doing everyday things. Point out familiar places or objects. Describe and talk about items you see. Speak clearly. Pause for younger children, so they may imitate and understand you.

Read books, sing, and say rhymes with your child every day. As your children mature, have them predict what will happen in the story. Invite them to act it out or draw a picture. Ask "Who," "What," "When," "Where" and "Why" questions during the story or in conversation.

Provide your child with writing materials and the time and space to use them.

Go to museums, visit libraries and enjoy hobbies that broaden your children's knowledge of the world beyond their home and neighborhood.

"Learning starts in infancy, long before formal education begins, and continues throughout life. Early learning begets later learning and early success breeds later success..."

Dress Code Reminders

The BPS Dress Code requires all clothing to be appropriately sized and cover midriff, back, sides, and undergarments at all times. Shorts must have clearly discernable inseams and cover the buttocks. If you would ensure your child's daily dress aligns with these and other dress code requirements which can be found at <https://tinyurl.com/3jd9ffjd>, it would be greatly appreciated. Thanks so much for your assistance!

Holland's STEAM Lab is re-opening soon! Our new collaborative furniture and computers are in the process of being set up and installed. The lab will be accessible to all students for engaging STEAM activities!
