Celebrate Literacy Week!

Thank you to all of the families who participated in our recent **Celebrate Literacy Week** activities! Students earned tickets for "getting caught reading" for entry in a book drawing, gave *book talks* on our morning announcements, and dressed up to represent different themes during the week.

Thank you also to the families who participated in the **Hornet Home Connection**, reading and engaging in family literacy activities at home!

We will continue with many of these activities at school for the remainder of the year to build and foster our culture of literacy at Holland, and we hope you will do the same at home!

Parking Lot Safety During Arrival

For safety reasons, students should never walk unsupervised in our parking areas. During arrival, if you are parking to drop off your child, please walk them to the cross walk and wait with them until a staff member safely brings them across the car loop. Student safety is our utmost priority, and it is unsafe for students to walk behind/between cars unsupervised. Thank you for your cooperation!
