

Summer Enrichment Camps at Hoover Middle School

June 24 - June 27

8:30 am - 3:30 pm

Algebra EOC Camp

Description: Students will receive targeted Algebra instruction prior to retaking the Algebra I EOC in July.
Teachers: Megan Guest & Martha St. Denis

June 17 - June 20

8:30 am - 3:30 pm

Mental Toughness in Sports

Description: Athletes will work through scenarios and writing activities in small groups and individually to better prepare them for in-game situations and skills for life. Athletes will have a chance to play different sports and games and take a leadership position in teaching skills from their sport(s) to others. This program is open to beginning athletes through competitive athletes in any sport.
Teacher: Lauren Crawford

June 3 - June 6

June 10 - June 13

June 17 - June 20

8:30 am - 3:30 pm

Multimedia Design with Cricut

Description: Students have the opportunity to unleash their creativity through Cricut Machines, crafting dynamic projects utilizing a diverse array of materials such as cardboard, paper, wall, and window vinyl cling, among countless others. The students can expect to make custom items such as cups, canvases, keychains, magnets, and many more.

Teacher: Lourdes Quintero
Available to 7th - 9th graders

June 3 - June 6

June 10 - June 13

June 17 - June 20

8:30 am - 3:30 pm

Acrylic Pouring with Fancy Yancey

Description: Explore the world of acrylic pouring! Ms. Yancey will teach you at least two pouring techniques each day. You will also learn how to create a pouring medium and add it to acrylic paint to use on your work each day. We will also explore creations made from acrylic skins (jewelry and collages).

Teacher: Stephanie Yancey
Available to 6th - 9th graders
