****

General Directions: 1. Alphabetize your sources by first word in the entry. 2. Do <u>NOT</u> include category names or group by category (e.g. Websites, books, etc.). 3. Double space entries.

Hoover Middle School: Note-Taking and Bibliographies
(For your bibliography, you will need):

For Websites:
- Web address (URL)
- Name of Webpage (title in upper left corner)
- Name of Website (if page comes from a larger site)
- If article is from a database (Gale database, etc. . . . note name of database)
- Date(s) you visited the site
- Date updated, if shown on the site

For Books:
- Title
- Author
- Publisher
- Place of Publication (city only if it is New York; city and state if any other place)
- Publication date

For Encyclopedias:
- Title of article (subject you looked up)
- Author, if given (in "World Book". . . look for small print at the end of the article)
- Name (title) of Encyclopedia
- Edition (Year) [found on spine of book]
- Volume (number on the spine)

Magazine Articles:
- Title of article
- Title of magazine
- Date of magazine
- Pages

For DVD/Video:
- Title
- Publisher
- Copyright date
- Other producing company, if noted

Interview:
- Name of person interviewed
- Position/Title of person
- Place of business/organization
- Date interviewed

Citing Information Sources with MLA
www.easybib.com

<u>Works Cited:</u> This will be the title of your last slide

- You must list EVERY source you used in the given project. This includes sources that you used information from AND any pictures/music that you used.
- "Using a source" means taking any information from a book or website and including it in your PPT

Electronic database (Grolier Online or SRC)	Scroll to the bottom of the article – the citation is done for you!
Book	Use www.easybib.com Choose – Book; In Print
Encyclopedia (print)	Use www.easybib.com Choose – Encyclopedia; In Print
Website	Use www.easybib.com Choose – Website; Online

Works Cited

"Bad ads? Marketers go undercover to target teens." <u>Current Events, a Weekly Reader publication</u> 106.10 (Nov 10, 2006): 3(2). <u>General OneFile</u>. Gale. VIERA HIGH SCHOOL. 26 Nov. 2007 <http://find.galegroup.com/ips/start.do?prodId=IPS>.

Mahmud, Shahnaz. "TV's alternate reality: nets create virtual worlds, but will advertisers follow?(Digital Strategy)." <u>ADWEEK</u> 48.41 (Nov 12, 2007): 12(2). <u>General OneFile</u>. Gale. VIERA HIGH SCHOOL. 26 Nov. 2007 <http://find.galegroup.com/ips/start.do?prodId=IPS>.

"Watching what you eat.(News Graph)(Brief article)." <u>Junior Scholastic</u> 110.1 (Sept 3, 2007): 5(1). <u>General OneFile</u>. Gale. VIERA HIGH SCHOOL. 26 Nov. 2007 <http://find.galegroup.com/ips/start.do?prodId=IPS>.

Citing Images

Below the image in your project:

Must display the copyright notice, year of first publication, and copyright holder: Copyright 2005 Corel Gallery	If you cannot find the name of the copyright holder/date for the image, you can use the author/last update of the website it was from: Copyright 2007 CIA World Factbook

Don't forget – every image that you use should also have an entry on your Works Cited page!

Where the image is from…	Under the image:	On your Works Cited page:
Grolier Online	© 2008 Scholastic Library Publishing, Inc.	Digital image. [Germany]. 2007. 27 Sept. 2007 <http://go.grolier.com/>. *Just change [Germany] to the name of your picture and change the date to today's date.*
Student Resource Center database	© 2008 Thomson Gale	Done for you! Just click the "Multimedia" tab and look below the picture. Copy and paste into your Works Cited page.
Google Images or any other website	© [Date on website] [Name of website]	Must use www.easybib.com. Select Photograph/Image; Digital Image and fill out the required information.
Microsoft Clip Art	© 2008 Microsoft Clip Art Gallery	You do not need to cite images from Microsoft Clip Gallery in your Works Cited list.
