**SECTION I - Core Academic Courses**

Students will be placed into core courses depending on their grades and needs. Core courses do not receive teacher recommendations. The courses listed below are the core course options in which your student may be placed.

Language Arts	Math	Science	Social Studies
ELA 3 Advanced	Pre-Algebra Algebra 1 Honors* Geometry Honors*	Science 3 Advanced	U.S. History Advanced

\*Algebra I and Geometry Honors are rigorous, high school credit courses. Students are placed based on FAST scores, and grades.

**REACH Academy**

The REACH Academy is a rigorous academic curriculum that prepares students for accelerated high school programs. A separate application is required (available on Hoover website). Eighth grade spots are based on availability.

Below, please list the elective courses you would like to take, in order of preference. When registering for a year-long course, you must be committed to remaining in the course for a year. Please list a course in each of the boxes; if no electives are listed, a counselor will select your elective courses. While students only have two electives on their schedules, it is important to choose alternates in case you do not get your first choices. Only include a teacher signature for courses that require it (see back page).

**SECTION II—ELECTIVE COURSES**
