

What do I read next?

- 1. Go to the media center page in Edline, select “more links” under “links”, and access the “Gale Databases”.**
- 2. Select the “Books & Authors” database (the 2nd on down in the 1st column).**
- 3. Towards the bottom right of the page there is a box with a book icon that says “Read-A-Like wizard”. Click on “Go to wizard”.**
- 4. Enter the title of a book you’ve enjoyed, search, and then select the terms that you feel are most important to you to enjoy a book.**
- 5. Review the results you receive, and find another book you think you may enjoy.**
- 6. Now access your Google Docs account.**
- 7. Create a new document, title it with your name and the period.**
- 8. Write about the title of the book that you found giving the title, author, and a summary of the book.**
- 9. Share this document with either me or Mrs. Ramos.**
