

Andrew Jackson Middle School

1515 Knox McRae Drive
Titusville, FL 32780-5414

Dear Parent/Guardian,

The Florida Assessment of Student Thinking (FAST) is a progress monitoring system that is administered three times per year to track your student's progress in learning the Benchmarks of Excellent Student Thinking (B.E.S.T.) Standards throughout this school year. The purpose of this letter is to inform you that your student's score for the PM1 administration of grade 7 or grade 8 FAST ELA Reading & Math are now available on the FSA Family Portal. You will access the FSA Family Portal through a parent or student FOCUS account. **On the FOCUS Portal Homepage please click on this icon**, which is found above your student's classes and below their name:

These results are for informational purposes only and should be used to identify areas that may need additional instruction and support.

Each progress monitoring test covers the full "test blueprint," meaning that all content expectations for that subject and grade level are assessed. Therefore, for PM1, your student may not yet be at grade level; however, this does not necessarily indicate that a student is not on track to succeed. It is important for teachers and families to understand that PM1 score information is intended to provide baseline results; once your student participates in PM2 and PM3, you will be able to track the progress your student made throughout the school year.

For more information about student scores or the Family Portal, please visit <https://flfast.org/families.html>.

If you have questions about your student's score, contact their Math, English or Intensive Reading teacher to discuss strategies and ways to improve their results.

If you have any questions related to this test administration, you may contact Dr. Porter at porter.rebeca@brevardschools.org

Sincerely,

Jennifer Shockley
Principal
