

CHORUS

Dear Student, we would love to have you join chorus!

At JMS, Chorus is a family. Everyone who joins has a different background, different musical experience, and unique talents. Together, we grow in musicianship, vocal technique, and as a community. The Jefferson Middle School Choral Program is the place for you if you love music. You will develop your voice while learning to read music in a creative and nurturing environment. Participate in one of our ensembles, and you'll have the opportunity to make friends and be around others who share your love of music.

In JMS Chorus, you will improve your skills in reading, writing, and performing music. You will learn how your voice works, and every day you will make strides to sing more fully and confidently. We will perform 2 concerts, to show our audiences what we've learned and to gain valuable performance experience. You will also have the opportunity to take part in various extracurricular opportunities, including JMS/MIHS combined choir, All-County, All-State, Solo & Ensemble, Brevard's Men's Day, ACDA Honor Choir, and others TBD.

JMS chorus is open to all students regardless of musical background or experience. If you'd like to join chorus please contact me! Make sure you put it on your schedule request form. If you have questions or are unsure if chorus is right for you please email me! Hope to see you next year!

Best,
Ms. Kali Gleacher
JMS Chorus Director
