

THANKS4GIVING

How many turkey dinners can JMS students provide this Thanksgiving Season?

It's almost time for Thanksgiving! You know…that wonderful holiday when you have family, friends and most importantly pie…lots of PIE!

Thomas Jefferson Middle School will do their part to provide meals for families that need a little help getting turkey on their plates this season. It only takes **$20 to purchase a Thanksgiving meal**. We will be competing through first period to see which class can fund the most Thanksgiving Dinners. **The class with the most donations will win a donut party**.

LET THE COMPETITION BEGIN!!!

Step 1:
Locate the container in your 1st Period Classroom.

Step 2:
Bring in your loose change and place it in the container.

Step 3:
Check the board in the commons to see how your class is progressing.

Step 4:
Feel good that you are giving rather than receiving this Thanksgiving.

Thanks4Giving will begin on November 16th and run through November 20th.
