Science Research News

In February Brevard Public Schools held the Brevard Regional Science and Engineering Fairs. Our Science Research students participated in the Mainland Fair and represented Johnson Middle School well. Our students were recognized with a variety of ribbons and prizes including invitations to the State Fair. Students who won a state bid at the event will compete at the 69th State Science and Engineering Fair of Florida from April 2-4. Congratulations to Mrs. Pegion and all the students on a job well done and good luck to the students selected to compete in the ISEF and State Fair! *See page 5 for a full list of prizes earned and images of the projects presented.*

TITLE 1 NEWS!

School Improvement Plan
 Johnson Middle School's Schoolwide Improvement Plan, which also serves as our Title I plan, is available for you to view. Please take a minute to review our school's plan at <https://www.floridacims.org/districts/brevard/schools/3031>. Copies of this document will be made available upon request and if you would like the document translated please contact our front office staff at 321-242-6430.

The District Parent and Family Engagement Plan is available for viewing in the Title I parent notebook in the front office. Additionally, the Johnson Middle School-Family Compact and School Parent and Family Engagement Plan are posted on our website at <https://www.brevardschools.org/Page/21836>.

Your child also received a printed copy of the School-Family Compact and the School Parent and Family Engagement Plan for you to review. Our school and district report cards will also be posted on the same web page.

Do you have questions about Title I? In need of more information? The Title 1 Contact at Johnson Middle School is Diane Hasling.

Classroom Supplies

Title I funds have provided headphones to be used with classroom computers in all classes. These headphones will allow students easier and more complete access to many online curriculum materials. In addition to the headphones, Johnson has received 500 clipboards for class use. Teachers and students will be able to use these tools to enhance lessons and learning.
