Helpful Tips for Parents

CAR LOOP PLACARDS:

Car placards are required for ALL student pickup. This is to include clubs and activities. If you need a car placard, please email lacy.megan@brevardschools.org.

In addition, we ask that once your child is loaded, you remove the placard. This lets staff know that you are all set to go. If we see a placard displayed this will prompt us to make second calls for students.

FLORIDA RESILIENCY SKILLS

Florida is leading a first-in-the-nation approach that empowers students to persevere and overcome life's inevitable challenges. The Florida Department of Education developed state education standards and resources to equip students with skills that build resiliency.

Each month, Brevard Schools Foundation will be sharing a Resiliency Skill of the Month, along with parent resources from FLDOE's resiliency toolkit. **March's skill is Critical Thinking and Problem Solving.**

The parent resources will be shared in Peachjar.

Visit www.buildresiliency.org for more information.
